MEMORANDUM

TO: Tony Alvarado, Executive Director
FROM: Nancy R. Smith, MCLE Director *NRS*
SUBJECT: MCLE Suspension Report
DATE: 03/04/97

Attached is the list of attorneys whose MCLE compliance month OCTOBER and who remain in non-compliance with the MCLE requirements as of the date of this report.

We mailed each of these attorneys their Annual Verification Report during the first week of their birth month. Due to their non-compliance by the end of their birth month, we subsequently mailed to each of them a Non-Compliance Notice approximately the middle of the month following their birth month. The notice gave each of them 30 days to bring their record into compliance, and all of the attorneys included on the attached list failed to bring their record into compliance by the deadline. We then mailed a second non-compliance notice to both their office and home address (if available). Finally, we have also placed a telephone call to each attorney on the list for whom we could obtain a phone number, and we either spoke with the attorney directly or left word with their office that if the non-compliance was not cured then they would be subject to suspension. All names shown on the list still remain in non-compliance as of this date.

We have also prepared the Petition and Suspension Order that would need to be presented to the Court in order to effect these suspensions.

Please review this list and the Petition and Suspension Order for the Supreme Court. I would ask that you sign the petition as soon as possible, and then we will hand-carry this over to the Supreme Court.

II.

The State Bar of Texas certifies that all notices of deficiencies have been sent to the attorneys listed in Exhibit 1, and the deficiency has not been cured to bring each listed attorney into compliance with the Minimum Continuing Legal Education requirements.

III.

WHEREFORE, the State Bar of Texas requests that the Supreme Court take appropriate action as to each attorney listed in Exhibit 1 as authorized by Article XII, Section 8, State Bar Rules.

Respectfully submitted,

Antonio Alvarado
