BOBBIE ANN DANIEL, Appellant

V.

THE STATE OF TEXAS, Appellee

On Appeal from the 262nd District Court
Harris County, Texas
Trial Court Cause No. 675,772

O P I N I O N

Appellant was charged by indictment with the felony offense of possession of less than twenty-eight grams of cocaine, enhanced with a prior felony conviction. After a plea of guilty without an agreed recommendation, the court deferred a finding of guilt and placed appellant on probation for ten years. Subsequently, the State filed a motion to adjudicate guilt. The trial court adjudicated appellant's guilt and assessed punishment at confinement in the Institutional Division of the Texas Department of Criminal Justice for twenty years and a fine of five hundred dollars.

Appellant's appointed counsel filed a motion to withdraw from representation of appellant along with a supporting brief in which he concludes that the appeal is wholly frivolous and without merit. The brief meets the requirements of *Anders v. California*, 386 U.S. 738, 87 S.Ct. 1396, 18 L.Ed.2d 493 (1967), by presenting a professional evaluation of the record demonstrating why there are no arguable points of error to be advanced. *See High v. State,* 573 S.W.2d 807 (Tex. Crim. App. 1978).

A copy of counsel's brief was delivered to appellant. Appellant was advised of the right to examine the appellate record and to file a *pro se* response. As of this date, appellant has not responded.

We have carefully reviewed the record and counsel's brief and agree that the appeal is wholly frivolous and without merit. Further, we find no reversible error in the record. A discussion of the brief would add nothing to the jurisprudence of the State.

Accordingly, the judgment of the trial court is affirmed and the motion to withdraw is granted.
