OWENS-CORNING FIBERGLAS CORPORATION, Appellant

V.

DAVID M. MCCLUNG AND EVELYN M. MCCLUNG, Appellees

On Appeal from the 80th District Court Harris County, Texas Trial Court Cause No. 89-46290

OPINION

This is an appeal from a final judgment signed on December 14, 1993. On September 4, 1997, the parties advised this court in a joint motion that they had reached a settlement and that the agreement required continuing jurisdiction by our court until all obligations created by the settlement agreement were performed. On September 25, 1997, this court issued an order abating the appeal and ordering the parties to notify this court upon completion of all obligations under the settlement agreement by February 15, 1999, or the case would be dismissed.

We have received no further written communications from the parties. Accordingly, the appeal is ordered dismissed.

Judgment rendered and Opinion filed October 28, 1999.

Panel consists of Justices Yates, Fowler, and Frost.
