RE: Destruction of civil case records.

Dear District and County Clerks:

Beginning April 8, 2016, , the Fourteenth Court of Appeals will begin destruction of records in civil cases that have been finally disposed of and stored for at least six years. *See* Tex. Gov't Code Ann. § 51.204(d). Prior to destruction, records requested by a district or county clerk, in accordance with records retention schedules for records of district and county clerks, may be returned to their respective offices. *See* Tex. Gov't Code Ann. § 51.204(d) (1). Additionally, records of the appellate court determined to be archival state records will be forwarded to the Texas State Library and Archives Commission for preservation.

The following criteria may be considered when identifying archival state records: (1) any landmark legal opinion; (2) any case with a high degree of inherent legal interest, including a case in which the Texas Supreme Court granted an application for petition for review; (3) any case that involved significant people or events; (4) any case that received a high degree of media attention; or (5) records that, in the opinion of the Clerk or other person designated by the Court, contain highly concentrated, unique, and valuable information unlikely to be found in any other source available to researchers.

Although the Fourteenth Court of Appeals is currently reviewing all of the cases identified for destruction, I welcome comments from the various counties within our jurisdiction. The civil records under consideration for destruction are the appeals and original proceedings that were finally disposed of and stored during the calendar year of **2009**. For your convenience, a list of cases from your county, grouped by year, for each year that a case was disposed of and stored by this Court is attached. Please review the list of cases for both local records retention compliance and, if desired, the archival criteria above. I would ask that special attention be given to identify those cases that may have received a high degree of media attention in your area. Anyone who wishes to suggest that a specific civil case should not be destroyed may contact the Clerk of the Court at [Filing14th@14thcoa.courts.state.tx.us](mailto:Filing14th@14thcoa.courts.state.tx.us). The deadline to contact the Fourteenth Court of Appeals is **April 8, 2016**.

Thank you for your time and attention to this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Christopher A. Prine".

Christopher A. Prine, Clerk
