

Senior and Former Judges

Available to Serve on Assignment

The following information on Senior and Former Judges available for assignment was obtained from the Presiding Judges of the Administrative Judicial Regions (AJRs), and is current as of February 2014. For an updated list of the judges available for assignment in a particular region and/or the current status and phone number for a judge on this list, please contact the relevant AJR (as indicated in the third column).

Column 2 below indicates the judge's status as of February 2014; this column does not indicate the judge's status at the time the judge left office. As used in this directory, "former" indicates a judge who served as a regular judge for at least 96 months and has not yet retired (i.e., a judge who served as a district or appellate judge and is not receiving an annuity under the Judicial Retirement System or a judge who served as a statutory probate or statutory county court judge and is not receiving an annuity under the Texas County and District Retirement System), "senior" indicates a judge who served as a district or appellate judge for at least 96 months and has retired (i.e., a judge who is receiving an annuity under the Judicial Retirement System), and "retired" indicates a judge who served as a statutory county court judge for at least 96 months, or served as a statutory probate judge for at least 72 months, and has retired (i.e., a judge who is receiving an annuity under the Texas County and District Retirement System).

The minimum number of months of service required to serve on assignment increased from 48 months to 96 months effective June 18, 2003. However, judges who met the eligibility requirement in effect before June 18, 2003, were grandfathered and not required to meet the 96 months minimum. For this reason, some of the judges who are on this list may have served fewer than 96 months as a regular judge. See Texas Government Code Sec. 74.055. Effective January 1, 2012, the minimum number of months of service required for statutory probate judges to serve on assignment was reduced from 96 months to 72 months.
