## IMPORTANCE OF REPORTING

The monthly report is not designed to report everything that a court does nor everything that requires the attention or time of the judge. It is also not designed to reflect all of the clerk's responsibilities or to provide the basis for a complete case management system. Instead, the monthly report is designed to provide information required by law or needed by the legislative, executive, and judicial branches of government to make decisions regarding the jurisdiction, structure, and needs of the court system.

## LEGAL REQUIREMENTS

Section 71.035(b) of the Texas Government Code requires each judge, clerk, or other court official to report information pertaining to the civil and criminal business transacted by the court as required by the Texas Judicial Council.

The Official Justice of the Peace Monthly Report is to be used to report the activity of the justice court during each one-month period.

**NOTE:** Reports generated from a case management system should be an **exact replica** of the official monthly reporting form—*i.e.*, *all categories should follow the order on the monthly reporting form, no categories should be added or omitted, and no data should appear in areas that are shaded on the form.*

Sections 171.1 and 171.2 of the Texas Administrative Code require submission of court activity reports each month to the Texas Judicial Council by **no later than 20 days following the end of the month reported.**

### *Electronic Reporting*

**Effective September 1, 2011, all justice courts are required to submit the report online** unless the court has requested and obtained a waiver for good cause. (See Section 171.7 of the Texas Administrative Code.) Waivers are good for one year but may be renewed.

Reports may be entered electronically by one of two methods:

- a) manually entering the reports into the Court Activity Reporting and Directory System (<http://card.txcourts.gov>), OR
- b) uploading an XML file into the system.

Courts that have obtained an electronic reporting waiver may continue mailing, faxing, or emailing the report to OCA for data entry. However, only the new form will be accepted. **Reports for September 2011 and later will not be accepted on the old form.**

## GENERAL INSTRUCTIONS

**You must submit a report each month, even if your court had no activity.**

To file a “No Activity” report:

- If you are reporting online, log in to the online reporting system and select Add New Monthly Report. Select the month and year for which you are filing a report. For each relevant section of the report (criminal, civil, juvenile/minor, and other), check the “No Activity” box near the top of the page, and fill in the Prepared By line at the bottom of the page.

- If you are reporting on paper, you may indicate that you had no activity by writing a large zero, “X,” or “No Activity” across the statistical part of the form.

**Include only that activity that occurred during the month for which you are submitting a report.** If you need to make changes to the information for a previous month, you must edit your online report (if you report online) or file an amended report (if you report on paper).

### ***Paper Reporting***

Courts that have obtained an electronic reporting waiver may continue mailing, faxing, or emailing the report to OCA for data entry. The Official Justice Court Monthly Report form is to be used to report the activity of the justice court during each one-month period. **NOTE:** Reports generated from a case management system should be an **exact replica** of the monthly report form—*i.e., all categories should follow the order on the monthly report, no categories should be added or omitted, and no data should appear in areas that are shaded on the form.*

On the front page, please complete the appropriate blanks identifying the **month** and **year** for the data being reported; the name of your court; the name of the judge; the court’s mailing address, fax number, email address, and website address (if available); and the name of the person that prepared the report, as well as his or her telephone phone number. (If appropriate, please provide a second phone number where that person can be reached during business hours.)

## CRIMINAL SECTION

This section is divided into six case categories: violations of state traffic laws, violations of state parking laws, violations of county ordinances involving traffic or parking, Penal Code violations, violations of other state laws, and other county ordinance violations.

For the purpose of these reports, the number of criminal cases reported on this monthly reporting form is based on the number of defendants named in a complaint.

1. If the same defendant is charged in more than one complaint, it is counted as more than one case. For instance, if the same person is named in four separate complaints, count this as four cases.
2. When a clerk receives a citation with multiple offenses listed on it, each offense is a separate charge and must be alleged on separate complaints. Thus, each complaint is counted as a separate case.

### TRAFFIC MISDEMEANORS

Cases relating to motor vehicle operation or ownership for which the maximum punishment does not involve confinement in jail or prison (i.e., class C misdemeanors).

**Non-Parking.** Cases involving violations of the provisions of Title 7, Transportation Code and related statutes that do not involve parking (e.g., speeding, passing a school bus, driving without a valid inspection sticker, driving with an expired or no driver's license). **NOTE: Do not include *Violations of Promise to Appear* here.**

**Parking.** Cases involving violations of Sections 545.301 through 545.304, Chapter 681 or Chapter 683, Transportation Code and related statutes concerning the improper stopping, standing, or parking of a vehicle (e.g., parking in an intersection, parking within 15 feet of a fire hydrant, parking where an official sign prohibits parking).

**County Ordinance.** Cases involving violations of traffic or parking-related ordinances enacted by the county (e.g., vehicle weight limitations set by the county pursuant to Transportation Code, Sec. 621.301).

### NON-TRAFFIC MISDEMEANORS

Cases not involving traffic or parking violations for which the maximum punishment does not involve confinement in jail or prison.

**Penal Code.** Cases involving laws enacted by the Texas Legislature that are set out in the Penal Code (e.g., disorderly conduct, public intoxication, theft of property valued at less than \$50). **NOTE: Include *Failure to Appear* cases here.**

**Other State Law.** Cases involving laws enacted by the Texas Legislature that are set out in statutes other than the Penal Code (e.g., Alcoholic Beverage Code, Education Code, Health and Safety Code, Occupations Code, Parks and Wildlife Code, Water Code, etc.). **NOTE: Include *Violation of Promise to Appear* cases here.**

**County Ordinance.** Cases involving ordinances enacted by the county (e.g., building codes, zoning, sanitation, and animal ordinances).

**NOTES:**

Report only those cases over which the court exercises jurisdiction.

- Include all **criminal** juvenile/minor cases and parent contributing to nonattendance cases, which are also reported in the Juvenile/Minor Activity Section.
- Matters handled by the judge as a magistrate (e.g., emergency protective orders, administration of warnings to adults or juveniles, search warrants, arrest warrants, property hearings) must not be included in this section, unless the court has jurisdiction over the case and the case is filed in the court.

**Line 1. CASES PENDING FIRST OF MONTH** (*Sum of Lines 1a and 1b.*)

Report all misdemeanor cases previously filed in which **a judgment had not been entered** at the beginning of the month.

These figures should be the same as those reported for **Cases Pending End of Month** (Lines 11a and 11b) on the prior month's report. **If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, a docket adjustment must be entered.** A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month.

**Example:**

If the number of cases pending at the end of the month is **smaller** than the number pending at the beginning of the current month, enter a **positive** number in the appropriate blank. For example, if 825 parking cases were pending at the end of April but 830 were pending as of May 1, "5" ( $825 + 5 = 830$ ) should be entered in the docket adjustment line under Parking in the report for May.

If the number of cases pending at the end of the month is **larger** than the number pending at the beginning of the current month, enter a **negative** number in the appropriate blank. For example, if 900 Penal Code cases were pending at the end of April but 890 were pending as of May 1, "-10" ( $900 - 10 = 890$ ) should be entered in the docket adjustment line under Penal Code in the report for May.

**Note:** OCA staff will calculate and enter the docket adjustment(s) for reports submitted on paper.

**Line 1a. Active Cases**

Report the number of cases in which a **judgment had not been entered** that were active at the beginning of the month.

“Active cases” are cases awaiting entry of a judgment that the court can move to adjudication (entry of a judgment).

**Line 1b. Inactive Cases**

Report the number of cases in which a **judgment had not been entered** at the beginning of the month that had been classified as inactive (cases in which further court proceedings/activities could not continue).

(*See Line 11—Placed on Inactive Status for definition of an inactive case.*)

**Line 2. NEW CASES FILED DURING MONTH**

Report the number of **new, original misdemeanor cases filed** for each case category. Include all new cases filed this month, even if a judgment was entered in the case this month.

**Line 3. CASES REACTIVATED**

Report the number of cases **in which a judgment had not been entered** that had previously been placed in an inactive pending status, but for which further court proceedings and activities can now be resumed so that a judgment may be entered in the case.

This category includes:

- Cases in which the defendant was apprehended
  - and posted bond to appear at court or
  - was arraigned and magistrates;
- Cases in which the warrant was returned unexecuted, but the case is being reactivated for dismissal due to the statute of limitations expiring or because the defendant is deceased;
- Cases that had been reported to the OmniBase (Texas Department of Public Safety) program, to the Scofflaw program (Texas Department of Motor Vehicles), to the Nonresident Violator Compact Program, or to a collections agency for failure to appear:
  - That were reactivated because the defendant appeared and the case was set for an appearance or trial,
  - That were reactivated because the defendant submitted a guilty or nolo plea to the court, whether or not the fine was paid;
  - That were reactivated because the defendant submitted a payment or other amount without a plea being entered (see definition in Line 6—Uncontested Dispositions);
  - That were reactivated because the case was dismissed; and
- Cases in which the proceedings were suspended due to a question of mental illness or mental retardation:
  - That were reactivated after an examination for competency to stand trial;
  - That were reactivated after the court or a jury decided that the defendant was not committable for temporary or extended mental health services and the defendant was found competent to stand trial; or
  - That were reactivated after the defendant's completion of temporary or extended inpatient mental health treatment.

**NOTES:**

- *Reactivated cases are reported under the same offense reported when the original case was filed.*
- *Reactivated cases are reported even if a judgment was also entered in the case during the month.*
- *An inactive case **MUST** be reactivated before it can be counted as disposed.*

**Line 4. ALL OTHER CASES ADDED**

Report all other cases added during the month in a manner other than the filing of a new, original case. Examples include:

- Cases in which a motion for new trial has been granted;
- A case is remanded for further proceedings; and
- Cases transferred from another court.

**Line 5. TOTAL CASES ON DOCKET**

The sum of active cases pending at the beginning of the month; new cases filed; cases reactivated; and all other cases added equals **Total Cases on Docket**.

$$\text{Lines 1a} + 2 + 3 + 4 = 5$$

**DISPOSITIONS:**

**For purposes of this report, a disposition is reported when the case is adjudicated (the judge signs the final judgment or a sentence is otherwise imposed). The date of disposition is the date the judgment was signed.**

**Report only 1 disposition (final judgment) per case.**

**Line 6. DISPOSITIONS PRIOR TO COURT APPEARANCE OR TRIAL**

**A. Uncontested Dispositions**

Report the number of cases in which **a guilty or nolo contendere plea was entered without a plea being entered in open court. The case is reported when judgment is entered, whether or not the fine and other obligations of the case have been met.**

Include:

- Cases in which the defendant submitted a guilty or nolo contendere plea without appearing before a judge in open court; and
- Payment of a fine or other amount accepted by the court without a plea being entered. Per Code of Criminal Procedure, Sec. 27.14(c):

In a misdemeanor case for which the maximum possible punishment is by fine only, payment of a fine or an amount accepted by the court constitutes a finding of guilty in open court as though a plea of nolo contendere had been entered by the defendant and constitutes a waiver of a jury trial in writing.

Include payments submitted by mail, by electronic means, or in person. This includes both cases in which partial payment or payment in full is made or a payment plan is arranged.

**B. Cases Dismissed by Prosecution**

Report the number of cases that were dismissed pursuant to a motion by a prosecutor (or dismissed by the court without a motion from the prosecutor) before a defendant's court appearance or trial or without the defendant appearing in court. ## CIVIL SECTION

A civil case, unlike a criminal case, does not depend on the number of persons involved. For the purpose of these reports, a single civil case is counted and reported when:

1. An original petition is filed (no matter how many parties are involved), or
2. A civil complaint is filed (no matter how many parties are involved).

### CIVIL CASES

**Debt Claim.** Cases filed on or after September 1, 2013 to recover a debt by an assignee of a claim, a debt collector or collection agency, a financial institution, or a person or entity primarily engaged in the business of lending money at interest. The claim can be for no more than \$10,000, excluding statutory interest and court costs but including attorney fees, if any. Debt claim cases in justice court are governed by Rules 500-507 and 508 of Part V of the Rules of Civil Procedure.

**Landlord/Tenant.** Include:

1. **Eviction.** All suits for eviction (recovery of possession of premises) brought to recover possession of real property under Chapter 24 of the Texas Property Code, often by a landlord against a tenant. A claim for rent may be joined with an eviction case if the amount of rent due and unpaid is not more than \$10,000, excluding statutory interest and court costs but including attorney fees, if any. Eviction cases filed on or after September 1, 2013 are governed by Rules 500-507 and 510 of Part V of the Rules of Civil Procedure.
2. **Repair and Remedy.** A case by a residential tenant under Chapter 92, Subchapter B, of the Texas Property Code to enforce the landlord's duty to repair or remedy a condition materially affecting the physical health or safety of an ordinary tenant. Repair and remedy cases filed on or after September 1, 2013 are governed by Rules 500-507 and 509 of Part V of the Rules of Civil Procedure.

**Small Claims Suits.** Include:

1. **Small Claims Suits (filed on or after September 1, 2013).** Cases filed for the recovery of money damages, civil penalties, personal property, or other relief allowed by law. The claim cannot exceed \$10,000, excluding statutory interest and court costs but including attorney fees, if any. Small claims cases are governed by Rules 500-507 of Part V of the Rules of Civil Procedure.

Also include occupational licenses, writs of re-entry, writs of restoration, **writs of retrieval, writ of assistance for repossession of aircraft**, tax cases, tax warrants, dangerous dog cases (in which no criminal charges have been filed), tow hearings, habitual toll violator hearings, junk vehicle, and deed restriction cases. Also include bond forfeiture (*nisi*) proceedings conducted pursuant to Code of Criminal Procedure, Article 22.02. *Do not include property hearings, as they are statutorily defined as a magistrate duty (Art. 47.01-47.02, Code of Criminal Procedure).*

2. **Small Claims Suits (filed prior to September 1, 2013).** Suits filed for the recovery of money (damages or debt up to \$10,000) brought to the justice of the peace as judge of the Small Claims Court in accordance with Chapter 28 of the Government Code.
3. **Other Civil Suits (filed prior to September 1, 2013).** All other suits filed that were within the civil jurisdiction of the justice court, including those for recovery of money (damages or debt up to \$10,000) and for foreclosure of mortgages and enforcement of liens on personal property in cases in which the amount in controversy was otherwise within the justice court's jurisdiction as provided by Section 27.031 of the Government Code.

**At this time, the Civil Section of the report cannot adequately capture information on truancy cases. Judicial Council will be re-evaluating all information being collected from the trial courts on the monthly court activity reports in the near future, and reporting of additional information on truancy cases will be addressed at that time.**

**Line 1. CASES PENDING FIRST OF MONTH** (*Sum of Lines 1a and 1b.*)

Report all civil cases previously filed in which a **judgment had not been entered** at the beginning of the month.

These figures should be the same as those reported for **Cases Pending End of Month** (Lines 14a and 14b) on the prior month's report. **If the number of cases pending at the first of the month does not equal the number of cases pending at the end of the previous month, a docket adjustment must be entered.** A *docket adjustment* is the difference between the number of cases pending at the end of the previous month and the number of cases pending at the beginning of the current month.

**Example:**

If the number of cases pending at the end of the month is **smaller** than the number pending at the beginning of the current month, enter a **positive** number in the appropriate blank. For example, if 825 Small Claims cases were pending at the end of April but 830 were pending as of May 1, "5" ( $825 + 5 = 830$ ) should be entered in the docket adjustment line under Small Claims cases in the report for May.
