**TECHNICAL REVIEWER LICENSE APPLICATION**

The Commission may issue a Technical Reviewer License to a technical reviewer upon certification from a Commission-accredited laboratory that:

- (1) the technical reviewer's role on behalf of the laboratory is limited to technical review of forensic analysis;
- (2) the technical reviewer has been previously qualified to perform technical review by a national accrediting body recognized by the Commission and listed in §651.4 of the Texas Administrative Code;
- (3) the technical reviewer would not otherwise be subject to the licensing requirements of the Commission; and
- (4) granting of the technical reviewer's license is necessary to ensure the availability of properly trained and qualified technical reviewers for the forensic analysis in question.

Please fill in the information below and sign the certification statement. Email completed applications to [licensing@fsc.texas.gov](mailto:licensing@fsc.texas.gov).
