Comment to 2018 change: Rules 73.1 and 73.4 are amended in conjunction with amendments to the form for applications filed under Article 11.07 of the Code of Criminal Procedure (Appendix E to these rules) and the Clerk's Summary Sheet (Appendix F to these rules). The amendments clarify terminology and procedures for filing Article 11.07 writ applications and update the Article 11.07 writ application form to incorporate current technologies and filing procedures. The application form will be made available on the internet through the Court of Criminal Appeals' website. In addition, the amendments bring the application and filing procedures into conformity with Civil Practice and Remedies Code chapter 132, which permits both inmates and non-inmates to file unsworn declarations in lieu of notarized oaths. Further, the rules amendments and changes to the clerk's summary sheet clarify the information that district clerks must provide to the Court of Criminal Appeals and add a new requirement that clerks certify that they have complied with all the requirements of Rule 73.4, including the requirement to serve on all parties in the case all objections, motions, affidavits, exhibits, proposed findings of fact and conclusions of law, findings of fact and conclusions of law, and any other orders entered or pleadings filed in the habeas case.
