**Special Notes:** (a) If the plaintiff is indigent, the court may waive the statewide e-filing fee. (b) Do not charge Fees 30 and 49 if the plaintiff is the clerk’s county. (c) If the plaintiff is the State of Texas or a political subdivision of the State, Fee 30 is not due at the time of filing. Instead, the fee is to be taxed and collected as costs against the non-prevailing party at the conclusion of the case. (d) Do not charge Fees 48, 50 – 54 if the court handling the case is a constitutional county court. (e) In a delinquent tax suit, a “taxing unit” does not have to pay court costs, including any fees for service of process or electronic filing, an attorney ad litem, arbitration, or mediation. See Texas Tax Code § 33.49. But, the calculation of filing fees in delinquent tax suits is not an empty exercise because often the filing fees are assessed as a court cost against an unsuccessful defendant. A “taxing unit” includes a county, an incorporated city or town (including a home-rule city), a school district, a special district or authority (including a junior college district, a hospital district, a district created by or pursuant to the Water Code, a mosquito control district, a fire prevention district, or a noxious weed control district), or any other political unit of this state, whether created by or pursuant to the constitution or a local, special, or general law, that is authorized to impose and is imposing ad valorem taxes on property even if the governing body of another political unit determines the tax rate for the unit or otherwise governs its affairs. See Texas Tax Code §1.04(12). (f) An “Application for Tax Warrant” is an independent civil suit brought pursuant to Sections 33.21—33.23 of the Texas Tax Code. The law is not entirely clear as to whether such a suit is technically a delinquent tax suit. For purposes of filing fees, the most common (and probably best) practice is to treat applications for tax warrants as delinquent tax suits. (g) In Cameron County, the Cameron County Technology and Infrastructure Fee (\$2.00) shall be assessed if the commissioners court has adopted the fee as part of the county’s annual budget. See Fee No. 58 on page 31 in the County-Level Court Civil Filing Fees for more details.

<sup>3</sup> This total includes the fees listed under I and II above. Other filing fees and fees for services rendered may apply. Totals will vary from county to county.

#### **I.A.4. Foreign Judgment**

Texas has adopted the Uniform Enforcement of Judgments Act (UEFJA) which provides for the enforcement of a judgment of another state (known as a foreign judgment) simply by filing the foreign judgment with the clerk. Civil Practice & Remedies Code, Sections 35.002, 35.003. A filed foreign judgment has the same effect as a judgment of a Texas court. Civil Practice & Remedies Code, Section 35.003. A person filing a foreign judgment shall pay to the clerk the same amount as otherwise provided by law for filing suit. Civil Practice & Remedies Code, Section 35.007.

### **I.A.5. Fraudulent Lien Suit**

The only fee that may be charged in a fraudulent lien suit is a special \$15.00 fee. *See* Civil Practice & Remedies Code § 12.005.

Fraudulent lien suits include all suits for which a cause of action is created in Chapter 12 of the Civil Practice & Remedies Code. These suits may seek the recovery of damages. They differ from “motions for judicial review of lien/claim documentation” which are independent civil suits (that do not seek damages) filed pursuant to Chapter 51 of the Government Code.

<sup>4</sup> Orders of Nondisclosure issued under §411.072 are assessed a \$28 fee. Section 411.072 does not require a defendant to file a petition for an order of nondisclosure, so a clerk should not charge fees that generally apply upon the filing of a civil petition. Compare the language of §411.072(b) with the language of §§ 411.0725(b), 411.0727(b), 411.0728(b), 411.073(b), 411.0731(b), 411.0735(b), and 411.0736(b), Government Code. Unlike these other sections, § 411.072(b) does not contain a sentence with language the same as or similar to, "the person may petition the court" or "the person is entitled to file with the court .... a petition."

**Special Notes:** (a) The court may waive Fee 21 if the plaintiff is indigent. (b) Do not charge Fees 40 and 41 if the court does not have an official court reporter. (c) Do not charge Fees 48, 50 – 54 if the court handling the case is a constitutional county court. **I.A.7. Transfer of Suit from Other County**

The fees for filing a non-family-law suit transferred from another county are the same fees that would be charged for the initial filing of the suit. (Texas Rules of Civil Procedure, Rule 89)

**I.A.8. Motion for Judicial Review of Lien/Claim Documentation**

There is no fee for filing this type of motion. Government Code §§ 51.902(d), 51.903(f).
