**Rule 103. Rulings on Evidence**

\*\*\*

- (c) **Court's Statement About the Ruling; Directing an Offer of Proof.** The court may make any statement about the character or form of the evidence, the objection made, and the ruling. The court must allow a party to make an offer of proof as soon as practicable. In a jury trial, the court must allow a party to make the offer outside the jury's presence and before the court reads its charge to the jury. At a party's request, the court must direct that an offer of proof be made in question-and-answer form. Or the court may do so on its own.
