

NUMBER 13-19-00432-CR COURT OF APPEALS THIRTEENTH DISTRICT OF TEXAS CORPUS CHRISTI - EDINBURG

CASSANDRA MARIE CIRLOS,

Appellant,

٧.

THE STATE OF TEXAS,

Appellee.

On appeal from the 206th District Court of Hidalgo County, Texas.

MEMORANDUM OPINION

Before Chief Justice Contreras and Justices Benavides and Longoria Memorandum Opinion by Justice Benavides

Appellant Cassandra Marie Cirlos was indicted for one count of harassment of a public servant, a third-degree felony, and attempting to take a weapon from an officer, a state-jail felony. See Tex. Penal Code Ann. §§ 22.11(b), 38.14. Following a jury trial in which Cirlos was found guilty on both counts, she pleaded true to a prior felony conviction

and the third-degree felony was enhanced to a second-degree felony. See id. § 12.42. The jury assessed punishment at four years' imprisonment in the Texas Department of Criminal Justice–Institutional Division for the harassment charge and one-year in the State Jail Division of the Texas Department of Criminal Justice for the attempt charge.

Cirlos appeals, and her court appointed counsel has filed an *Anders* brief stating that there are no arguable grounds for appeal. *See Anders v. California*, 386 U.S. 738, 744 (1967). We affirm.

I. ANDERS BRIEF

Pursuant to *Anders v. California*, Cirlos's court-appointed appellate counsel has filed a motion to withdraw and a brief in support thereof in which he states that he has diligently reviewed the entire record and has found no non-frivolous grounds for appeal. *See id.* Counsel's brief meets the requirements of *Anders* as it presents a professional evaluation demonstrating why there are no arguable grounds to advance on appeal. *See In re Schulman*, 252 S.W.3d 403, 407 n.9 (Tex. Crim. App. 2008) ("In Texas, an *Anders* brief need not specifically advance 'arguable' points of error if counsel finds none, but it must provide record references to the facts and procedural history and set out pertinent legal authorities." (citing *Hawkins v. State*, 112 S.W.3d 340, 343–44 (Tex. App.—Corpus Christi–Edinburg 2003, no pet.))); *Stafford v. State*, 813 S.W.2d 503, 510 n.3 (Tex. Crim. App. 1991).

In compliance with *High v. State*, 573 S.W.2d 807, 813 (Tex. Crim. App. [Panel Op.] 1978) and *Kelly v. State*, 436 S.W.3d 313, 318–19 (Tex. Crim. App. 2014), Cirlos's counsel carefully discussed why, under controlling authority, there is no reversible error in the trial court's judgment. Counsel has informed this Court in writing that counsel has: (1) notified Cirlos that counsel has filed an *Anders* brief and a motion to withdraw; (2) provided Cirlos with copies of both pleadings; (3) informed Cirlos of her rights to file a pro se response, ¹ review the record preparatory to filing that response, and seek discretionary review if the court of appeals concludes that the appeal is frivolous; and (4) provided Cirlos with a form motion for pro se access to the appellate record, lacking only Cirlos's signature and the date and including the mailing address for the court of appeals, with instructions to file the motion within ten days. *See Anders*, 386 U.S. at 744; *Kelly*, 436 S.W.3d at 318–19; *see also In re Schulman*, 252 S.W.3d at 409 n.23. An adequate amount of time has passed, and Cirlos has not filed a pro se response.

II. INDEPENDENT REVIEW

Upon receiving an *Anders* brief, we must conduct a full examination of all the proceedings to determine whether the case is wholly frivolous. *Penson v. Ohio*, 488 U.S. 75, 80 (1988). We have reviewed the entire record and counsel's brief and found nothing that would arguably support an appeal. *See Bledsoe v. State*, 178 S.W.3d 824, 827–28 (Tex. Crim. App. 2005) ("Due to the nature of *Anders* briefs, by indicating in the opinion

¹ The Texas Court of Criminal Appeals has held that "the pro se response need not comply with the rules of appellate procedure in order to be considered. Rather, the response should identify for the court those issues which the indigent appellant believes the court should consider in deciding whether the case presents any meritorious issues. *In re Schulman*, 252 S.W.3d 403, 409 n.23 (Tex. Crim. App. 2008) (quoting *Wilson v. State*, 955 S.W.2d 693, 696–97 (Tex. App.—Waco 1997, no pet.)).

that it considered the issues raised in the briefs and reviewed the record for reversible error but found none, the court of appeals met the requirement of Texas Rule of Appellate Procedure 47.1."); *Stafford*, 813 S.W.2d at 509.

III. MOTION TO WITHDRAW

In accordance with *Anders*, Cirlos's attorney has asked this Court for permission to withdraw as counsel for appellant. *See Anders*, 386 U.S. at 744; *see also In re Schulman*, 252 S.W.3d at 408 n.17 ("[I]f an attorney believes the appeal is frivolous, he must withdraw from representing the appellant. To withdraw from representation, the appointed attorney must file a motion to withdraw accompanied by a brief showing the appellate court that the appeal is frivolous." (citing *Jeffery v. State*, 903 S.W.2d 776, 779–80 (Tex. App.—Dallas 1995, no pet.) (citations omitted))). We grant counsel's motion to withdraw. Within five days of the date of this Court's opinion, counsel is ordered to send a copy of this opinion and this Court's judgment to Cirlos and to advise her of her right to file a petition for discretionary review.² See Tex. R. App. P. 48.4; see *also In re Schulman*, 252 S.W.3d at 412 n.35; *Ex parte Owens*, 206 S.W.3d 670, 673 (Tex. Crim. App. 2006).

² No substitute counsel will be appointed. Should Cirlos wish to seek further review of this case by the Texas Court of Criminal Appeals, she must either retain an attorney to file a petition for discretionary review or file a pro se petition for discretionary review. Any petition for discretionary review must be filed within thirty days from the date of either this opinion or the last timely motion for rehearing or timely motion for en banc reconsideration that was overruled by this Court. See Tex. R. App. P. 68.2. Any petition for discretionary review must be filed with the clerk of the Court of Criminal Appeals. See id. R. 68.3. Any petition for discretionary review should comply with the requirements of Texas Rule of Appellate Procedure 68.4. See id. R. 68.4.

IV. CONCLUSION

We affirm the trial court's judgment.

GINA M. BENAVIDES, Justice

Do not publish. TEX. R. APP. P. 47.2 (b).

Delivered and filed the 11th day of June, 2020.
