**On Appeal from the 132nd District Court  
Scurry County, Texas  
Trial Court Cause No. 26683**

**O R D E R**

Appellants have filed in this court a motion to supplement the clerk's record. *See* TEX. R. APP. P. 34.5(c). The appeal pending before this court is an appeal from an order of the 132nd District Court of Scurry County in its cause no. 26683. In their motion, Appellants request that the trial court clerk's record be supplemented in the appeal pending in this court to include documents filed in the case below and also documents filed in a separate case: cause no. 4486 from the Scurry County Court. Appellee opposes Appellants' motion with respect to the documents filed in cause no. 4486.

Appellants have not shown that the requested documents from cause no. 4486 were filed in cause no. 26683, that the cases have been consolidated, or that the district court in cause no. 26683 took judicial notice of the file or the requested documents from the file of the county court in cause no. 4486. Consequently, we do not believe that Appellants have shown that it would be appropriate to supplement the district court clerk's record in the appeal that is pending in this court with documents from the county court clerk's office that were filed in cause no. 4486.

We grant Appellants' motion in part and deny it in part. The motion is granted as to all requested documents that were filed in cause no. 26683 but were not previously included in the clerk's record filed in this appeal. The motion is denied as to Appellant's request to supplement the record in this appeal with documents that were not filed in cause no. 26683.
