v.

Thomas **VAREBROOK** and Rebecca Varebrook,
Appellees

From the 37th Judicial District Court, Bexar County, Texas
Trial Court No. 2017-CI-06007
Honorable Michael E. Mery, Judge Presiding

O R D E R

Sitting: Luz Elena D. Chapa, Justice

Beth Watkins, Justice

In response to this court's orders, Amy Hinds has renumbered and refiled the reporter's record of the trial proceedings and has filed an amended master index. We conclude she has substantially complied with our previous orders.

Hinds has refiled the volumes of the trial proceedings held February 19, 2019 through March 18, 2019, as volumes 1-20, in chronological order. All of those volumes are included in the amended master index, as is a listing of all the trial exhibits. The trial exhibits are identified in the master index as volume 21; however, the exhibit volumes (previously designated as volume 14 with subparts A – S), were not refiled. The exhibits are voluminous, and we conclude they do not need to be refiled. We direct the parties to refer to the exhibit volumes in their briefs as "volume 21 part *".

The amended master index does not contain indices for the February 4, 2019 hearing on the motion to strike (reported by C. Carter) or the May 3, 2019¹ hearing on the motion for judgment (reported by G. Garcia and refiled on 6/9/20 as vol 1 of 1). Because these volumes

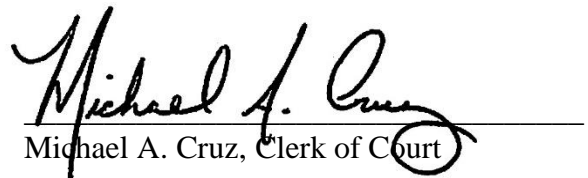

¹ This hearing was mistakenly referred to in our previous order as having been held on May 5, 2019.

stand alone, there should be no confusion in referencing them, and we will not require the master index be further amended.

The record in this appeal is now complete. We order appellants' brief due July 16, 2020.

Luz Elena D. Chapa, Justice

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the said court on this 16th day of June, 2020.
