**ORDER**

Magnum Air, Inc., Gamma Construction Co., Colonial American Casualty and Surety Company, and Fidelity and Deposit Company of Maryland, Appellants, filed a motion for review of the trial court's May 29, 2020 order setting the amount

of security required of Magnum Air, Inc. as against Maven Mechanical, LLC at \$376,086.17. *See* Tex. R. App. P. 24.4(a). Appellants filed a motion to stay execution on the judgment until this Court rules on the motion for review of the amount of bond ordered by the trial court.

The Court finds that temporary relief is necessary to preserve the parties' rights. It is, therefore, ordered that execution on the judgment in Trial Cause Number 16-05-06217-CV is stayed until further order of this Court. *See* Tex. R. App. P. 24.4(c).

Appellants' motion for review remains pending before the Court. Appellees' response to the motion for review is due July 2, 2020.

ORDER ENTERED June 22, 2020.
