**On Appeal from the 506th District Court  
Waller County, Texas**

**MEMORANDUM OPINION**

All appellants and appellees have filed a joint motion to dismiss this interlocutory appeal, including all cross appeals, from an order signed by the trial court on January 14, 2019, granting the special appearances of David Richardson, Vision Ridge Partners, George Polk, and Tulum Management USA and denying the special appearance of David Tepper. Submission of the appeal was scheduled for May 20, 2020.

The parties state in their joint motion to dismiss that “[t]he parties to this appeal and to the trial court proceedings below have reached a settlement that resolves the matters presently on appeal in this Court (including any cross-appeal).” Therefore, “all parties” to the appeal request that the appeal and any cross-appeals be dismissed. *See* TEX. R. APP. P. 42.1(a). No opinion has issued. Accordingly, we grant the motion, remove the appeal from the Court’s submission docket, and dismiss the appeal, including any cross appeals. *See id.* We dismiss any other pending motions as moot.

**PER CURIAM**

Panel consists of Justices Goodman, Landau, and Hightower.
