

JUDGMENT

Court of Appeals

First District of Texas

NO. 01-19-00667-CV

IN RE L.C.R., A CHILD

Appeal from the 312th District Court of Harris County. (Tr. Ct. No. 2016-51691).

This case is an appeal from the enforcement order signed by the trial court on August 23, 2019. After submitting the case on the appellate record and the arguments properly raised by the parties, the Court holds that there was reversible error in the trial court's order in the following respect: the elements for mandatory venue transfer had been established; therefore, the trial court abused its discretion when it ruled on the enforcement action before ordering transfer. Accordingly, the Court **reverses** the trial court's enforcement order and **vacates** the enforcement order in its entirety. The case was transferred to McLennan County on August 23, 2019. The order transferring venue to McLennan County stands.

The Court **orders** that this decision be certified below for observance.

Judgment rendered June 25, 2020.

Panel consists of Justices Keyes, Kelly, and Landau. Opinion delivered by Justice Landau.
