

**COURT OF APPEALS FOR THE
FIRST DISTRICT OF TEXAS AT HOUSTON**

ORDER

Appellate case name: Terry Wayne King II v. The State of Texas

Appellate case number: 01-19-00793-CR

Trial court case number: 1588183R

Trial court: 371st District Court of Tarrant County

The record was originally due to be filed on January 9, 2020. The court reporter requested and was granted three extensions until May 13, 2020. The reporter had advised in her last two extension requests that she was on medical leave. Because the Court was unable to access its records from May 8, 2020 until recently due to a ransomware attack, the Court was unable to send a notice that the record was overdue until June 12, 2020. In that notice, the court directed the reporter to file the record within ten days. On June 24, 2020, the reporter filed her fourth extension request, advising that she remained on medical leave and requested an extension until July 1, 2020.

The reporter's request for an extension until July 1 is **granted**. However, because the record is now more than 5 months overdue, if the reporter is unable to file the reporter's record by July 1, 2020, the Court will issue an order to the trial court to determine if another court reporter can assist with the preparation and filing of this reporter's record.

It is so ORDERED.
