

**COURT OF APPEALS FOR THE
FIRST DISTRICT OF TEXAS AT HOUSTON**

ORDER OF ABATEMENT

Appellate case name: Flower of Life Healing Ministries v. Travis County, Travis County Healthcare District d/b/a Central Health, Manor Independent School District, Austin Community College and Travis County Emergency Services District No. 2

Appellate case number: 01-20-00066-CV

Trial court case number: D-1-GN-18-006166

Trial court: 353rd District Court of Travis County

Appellant, Flower of Life Healing Ministries, has filed a “Second Motion for Extension of Time or Motion to Abate.” Appellant’s brief was originally due on February 13, 2020. On appellant’s motion, the deadline for filing appellant’s brief was extended to April 13, 2020.

In its second motion, appellant states that there is a motion for summary judgment currently pending in a “companion case” to this appeal, the determination of which could impact this appeal. However, according to appellant, the hearing date for the motion for summary judgment has been “reset,” and no new date has been secured. Appellant’s second motion requests either “an extension of unknown duration,” or that the case be abated. Appellees have not filed a response to appellant’s “Second Motion for Extension of Time or Motion to Abate.”

Appellant’s motion is **granted in part**, and the appeal is **abated**. Until a party successfully moves to reinstate the case, the Court will take no further action other than to receive and hold any documents tendered during the period of abatement.

The appeal is abated, treated as a closed case, and removed from this Court’s active docket.

It is so ORDERED.
