

# Before the Presiding Judges of the Administrative Judicial Regions

## Per Curiam Rule 12 Decision

**APPEAL NO.:** 01-005

**RESPONDENT:** Margaret J. Reaves, Executive Director, State Commission on Judicial Conduct

**DATE:** November 2, 2001

**SPECIAL COMMITTEE:** Judge B. B. Schraub, Chairman; Judge Darrell Hester; Judge John Ovard; Judge Kelly Moore; Judge David Peoples

The applicant filed a complaint with the State Commission on Judicial Conduct (the Commission) against a Texas judge. After investigating the complaint, the Commission dismissed it. The applicant requested the investigative file from the Commission under Rule 12, the Commission refused the request, and the applicant filed this appeal.

We find that the records in the Commission's investigative file are not judicial records for purposes of Rule 12, because they relate to the Commission's adjudicative function. *See* Rule 12 Committee Decision 01-002.
