- (b) The Commission will notify a regulated person by email before the date that the person's certification, registration, or license is scheduled to expire. A regulated person's failure to receive a renewal notice from the Commission does not exempt the person from any requirement of these rules or of any other rules governing the person's profession.
- (c) All certification, registration, and license renewal applications must be submitted on forms published on the Commission's website. A regulated person must comply with submission requirements stated on the renewal form. Incomplete applications will not be processed.

An application is timely if it is postmarked on or before the due date. Failure to complete a renewal application at least 45 days prior to expiration may result in a lapse of certification, registration, or license.
- (e) Any continuing education that is required to be fulfilled as part of the renewal application must be completed prior to the certification, registration, or license expiration date to avoid payment of a late renewal fee.
- (f) Notwithstanding (b) through (e), a regulated person who fails to renew his or her certification, registration, or license in a timely manner because the person was on active duty in the United States armed forces serving outside this State is exempt from any increased renewal fee that the person would otherwise be required to pay for failing to renew in a timely manner.
- (g) Notwithstanding (b) through (e):
 - (1) A regulated person who is a member of the state military forces or a reserve component of the armed forces of the United States, and who is ordered to active duty by the proper authority, is entitled to an extension of his or her certification, registration, or license period equal to the deployment period and an additional amount of time to complete any continuing education requirements and any other requirements related to the renewal of the person's certification, registration, or license.

- (2) The individual must submit to the Director a written request, accompanied by a copy of the orders placing the person on active duty.

- (4) An individual making a request under this rule must notify the Director of any change in the length of deployment.
- (5) A regulated person is exempt from any increased fee or other penalty for failing to renew the person's certification, registration, or license in a timely manner if the individual furnishes to the Commission satisfactory documentation that the individual failed to renew in a timely manner because the individual was on active duty in the United States armed forces serving outside this State.
- (h) The Commission must refuse to accept a regulated person's application for renewal if the Commission receives notice of child support arrearages pursuant to Section 232.0135 of the Family Code. 3.3 Endorsement; Reciprocity

- (a) The Commission may waive any prerequisite to obtaining a certification, registration, or license for an applicant after reviewing the applicant's credentials and determining that the applicant holds a certification, registration, or license issued by another jurisdiction that has certification, registration, or licensing requirements substantially equivalent to those of this State.
- (b) The Commission may waive any prerequisite to obtaining a certification, registration, or license for an applicant who holds a certification, registration, or license issued by another jurisdiction with which this State has a reciprocity agreement. Subject to the approval of the Supreme Court, the Commission may make an agreement with another state to allow for certification, registration, or licensing by reciprocity.

3.4 Alternative Application Procedure for Military Spouses

- (a) This rule applies to an applicant who is the spouse of a person serving on active duty as a member of the armed forces of the United States.

- (b) The Commission may issue a certification, registration, or license to an applicant described under (a) who:
 - (1) holds a current certification, registration, or license issued by another state that has requirements that are substantially equivalent to the requirements for the certification, registration, or license; or
 - (2) within the five years preceding the application date, held a certification, registration, or license in this State that expired while the applicant lived in another state for at least six months.
- (c) The Commission may allow an applicant who meets the requirements of (b) to demonstrate competency by alternative methods or credentials in order to meet the requirements for obtaining a particular certification, registration, or license issued by the Commission. For purposes of this Section, the standard methods of demonstrating competency are the specific exam, education, and experience required to obtain a particular certification, registration, or license.
- (d) In lieu of the standard methods of demonstrating competency for a particular certification, registration, or license and based on the applicant's circumstances, the alternative methods for demonstrating competency may include any combination of the following as determined by the Commission:

 - (2) continuing education;
 - (3) examinations (written or skills);

- (f) A person who applies for a certification, registration, or license under this rule is exempt from paying an application fee.
- (g) The Director may issue a license by endorsement under this rule to an applicant who meets the requirements of (b) in the same manner set forth in Section 51.404 of the Occupations Code.

3.5 Eligibility for Persons with Criminal History

- (a) An initial or renewal application may be denied, and a regulated person may be disciplined, if the person's criminal history or other information indicates that the person lacks the honesty, trustworthiness, or integrity to hold the certification, registration, or license. After consultation with the appropriate advisory boards, the Commission will develop and publish on its website guidelines for each regulatory program listing the categories of crimes that are considered to indicate that a person lacks the honesty, trustworthiness, or integrity to hold the particular certification, registration, or license. The Director will determine whether an initial or renewal application will be denied under this rule using the guidelines developed by the Commission and the factors listed in (b). If the Director denies an application, the applicant may request that the Commission reconsider the decision under Rule 3.6.
- (b) In making a determination under (a), the Commission or Director may consider:
 - (1) the nature and seriousness of the crime;
 - (2) the extent to which certification, registration, or licensing might offer an opportunity to engage in further criminal activity of the same type as that in which the person previously had been involved;
 - (3) the relationship of the crime to the ability, capacity, or fitness required to perform the duties and discharge the responsibilities of the occupation;
 - (4) the extent and nature of the person's past criminal activity;
 - (5) the age of the person when the crime was committed;
 - (6) the amount of time that has elapsed since the person's last criminal activity;

- (7) the conduct and work activity of the person before and after the criminal activity;

 - (D) paid all outstanding court costs, supervision fees, fines, and restitution ordered in any criminal case in which the applicant has been convicted; and
 - (10) any other evidence of the person's fitness, including, but not limited to, letters of recommendation.
- (c) A person may request that the Commission, through the Director, issue a criminal history evaluation letter regarding the person's eligibility for certification or licensure under this rule.
- (1) The person may request a criminal history evaluation letter if the person:
 - (A) is enrolled or is planning to enroll in an educational program that prepares a person for an initial certification or license or is planning to take an examination required by the Commission for an initial certification or license; and
 - (B) has reason to believe that the person is ineligible for certification or licensing due to a conviction or deferred adjudication for a felony or misdemeanor offense or other criminal history.
 - (2) The request must be in writing and must state the basis for the person's potential ineligibility. The requestor must provide the Commission with his or her criminal records pursuant to the fingerprinting requirements for the particular certification or licensing program. The Commission may request additional information from the requestor.

- (3) If the Director determines that a ground for ineligibility does not exist, the Director must notify the requestor in writing of the Director's determination on each ground of potential ineligibility.
- (4) If the Director determines that the requestor is ineligible, the Director must issue a letter setting out each basis for potential ineligibility and the Director's determination as to eligibility.
- (5) The Director must provide notice under (c)(3) or issue a letter under (c)(4) not later than the 90th day after the date that the Commission receives the request.
- (6) The Commission is not bound by the Director's determination if:
 - (A) the requestor fails to disclose known information that is relevant to the evaluation; or
 - (B) there is a change in the person's circumstances after the evaluation notice or letter is issued.

3.6 Denial of Application; Reconsideration

- (a) **Application Review.** The Director must review each application and determine whether the applicant meets the Commission's qualifications for the particular certification, registration, or license. The Director must also determine whether the applicant meets the Commission's criminal history eligibility requirements. If a person who has applied to be a certified guardian does not clearly meet the experience or education requirements in these rules, the Director must consult with members of the Guardianship Certification Advisory Board before approving or denying the application.
- (b) **Denial of Application.** The Director may deny an application only if the applicant fails to meet the qualifications set forth in these rules or the Commission's criminal history eligibility requirements. The Director must furnish to the applicant a written statement that succinctly states the reason for denying the application.
- (c) **Request for Reconsideration.** Within 20 days of the date of the notice that the Director has denied an application, the applicant may request that the Commission reconsider the denial. The request must be in writing, identify each point or matter about which reconsideration is requested, and set forth the grounds for the request for reconsideration.
- (d) **Reconsideration Procedure.** The Commission must reconsider the request at its next meeting and may allow the applicant or other witnesses to appear at the meeting and present sworn testimony. The Commission may limit the

number of witnesses appearing and the time allotted for a witness's testimony.

- (e) Commission Action on Request. After reconsidering a decision of the Director, the Commission may:
 - (1) affirm the Director's decision; or
 - (2) reverse the Director's decision.
- (f) Final Decision. The Commission must notify the applicant in writing of its decision on reconsideration. The Commission's decision is final and may not be appealed.

A person who uses or provides unauthorized assistance in connection with an examination violates this rule. Conduct that violates this rule includes but is not limited to the following:

 - (8) bringing to the examination site or leaving the examination site with examination questions or answers obtained from the current examination or from previous examination attempts;
 - (9) while taking an examination, communicating with any person, other than an authorized representative of the Commission or testing service, about the examination; or

3.9 Examination Fee Refund

3.10 Access to Examinations and Examination on Religious Holy Days

- (a) Reasonable accommodation for examinations will be made available as required by the Americans with Disabilities Act of 1990, Public Law 101-336. Reasonable accommodation means an adjustment or modification of the standard testing conditions that ameliorates the impact of the applicant's disability without doing any of the following:
 - (1) fundamentally altering the nature of the examination;
 - (2) fundamentally altering the Commission's ability to determine through the examination whether the applicant possesses the essential eligibility requirements;
 - (3) compromising the validity of the examination;
 - (4) compromising the security of the examination; or

- (b) If an examination is scheduled on a date that is a religious holy day, a person whose religious beliefs prevent that person from taking an examination on such date will be permitted to take the examination on an alternate date. The alternate date must be a regularly scheduled examination date unless the person's religious beliefs prevent the person from taking the examination on such date.
- (c) A person who needs a reasonable accommodation for an examination or who requests to take the examination on an alternate date must notify the Director or examination vendor, as applicable, of the request at least 10 days prior to the scheduled examination.

- (b) A voluntary surrender is effective after the Director receives it, verifies that the form is complete, and changes the person's status on the Commission's website.
- (c) The person must provide written notice of the voluntary surrender as required by the Director.
- (d) The circumstances under which the certification, registration, or license is surrendered will be noted in the person's records with the Commission and will be taken into account if the person applies in the future. A voluntary surrender does not affect any disciplinary matters before the Commission at the time of surrender.

- (d) The Commission may place on probation a person whose certification, registration, or license is suspended. If a certification, registration, or license suspension is probated, the Commission may require the person to:
 - (1) report regularly to the Commission on matters that are the basis of the probation;
 - (2) limit practice to the areas prescribed by the Commission; or
 - (3) complete professional education until the person attains a degree of skill satisfactory to the Commission in those areas that are the basis for the probation.
- (e) The Commission must suspend a regulated person's certification, registration, or license pursuant to the provisions of Section 232.011 of the Family Code upon receipt of a final order issued under Chapter 232 of the Family Code. Pursuant to Section 232.011, the Commission must take such action without a hearing or additional review.

5.5 Injunction

- (a) The Commission may apply to a district court in any county for an injunction to restrain a violation of the Act or a rule adopted under the Act.
- (b) At the request of the Commission, the Attorney General must initiate and conduct an action in a district court in the State's name to obtain an injunction under Section 153.005 of the Government Code.
- (c) If the State prevails in a suit under Section 153.005, the Attorney General may recover on behalf of the State reasonable attorney's fees, court costs, and reasonable investigative costs incurred in relation to the proceeding.
- (d) The Commission may also request that a court having jurisdiction over a guardian remove the guardian under Section 1203.052(b) of the Estates Code.

5.6 Administrative Penalty and Administrative Sanction

- (a) The Commission may impose an administrative penalty on a person regulated under the Act who violates the Act or a rule or standard adopted or order issued under the Act.
- (b) A proceeding imposing an administrative penalty may be combined with a proceeding to impose an administrative sanction otherwise imposed under the Act.

5.7 Amount of Penalty

- (a) The amount of an administrative penalty may not exceed \$500 for each violation. Each day that a violation continues or occurs is a separate violation for purposes of imposing a penalty.
- (b) The amount of the penalty may be based on:
 - (1) the seriousness of the violation, including the nature, circumstances, extent, and gravity of the violation;
 - (2) the threat to health or safety caused by the violation;
 - (3) any previous violations;
 - (4) the amount necessary to deter a future violation;
 - (5) whether the violator demonstrated good faith, including, when applicable, whether the violator made good faith efforts to correct the violation; and

- (6) any other matter that justice may require.

5.8 Complaint Filing and Review; Report and Notice of Violation, Penalty, and Sanction

- (a) A complaint against a regulated person may be filed by a person with personal knowledge of the alleged violation or by the Commission or a court of this State.
- (b) A complainant, other than the Commission or a court, must use the complaint form provided on the Commission's website. The complaint must include the name and contact information of the complainant and the respondent, describe the factual basis for any allegations, and include any necessary documentation or other supporting materials or information. The complaint must be signed by the complainant and submitted to the Commission according to the instructions on the Commission's website.
- (c) Upon receipt of a properly executed complaint, the Commission must send a copy of the complaint and any attachments to the respondent and direct the respondent to submit a written answer to the complaint under penalty of perjury, within 20 days of the date of the notice. The notice will be sent to the respondent's last known address in the Commission's records. If the respondent is a provisionally certified guardian, the Commission must also send a copy of the complaint and attachments to the guardian's supervisor. The respondent may request an extension of time to file an answer, but the request must be made before the expiration of the 20-day period.
- (d) The Commission must refer a properly executed complaint and the results of any investigation conducted by the Commission to a review committee established by the Commission and comprised of members of the appropriate advisory board.
 - (1) The review committee must hold at least one meeting to review the complaint and answer, make the initial determination on whether a violation occurred, and recommend the imposition of a penalty, a sanction, or both.
 - (2) The review committee may hold additional meetings to consider a complaint or seek additional information, but it has no obligation to do so. The review committee is not an investigatory body and will generally render its recommendation to the Commission based on the submissions of the complainant and the respondent and the information gathered by an Office investigation.

- (3) The complainant and the respondent may attend the review committee's meetings. The chair of the review committee may limit the length of comments made to the Committee.
- (4) The review committee must make its recommendation to the Commission in writing and notify the respondent of its recommendation. If the review committee requests additional information, it may allow up to 30 days to provide the additional information.
- (e) The Commission must review the determination and recommendation of the review committee, accept or revise the determination and recommendation as necessary, and give the respondent written notice by certified mail of the Commission's determination on whether a violation occurred and of each recommended penalty or sanction, if any. The notice will be sent to the respondent's last known address in the Commission's records.
- (f) The notice required under (e) must:
 - (1) include a brief summary of the alleged violation;
 - (2) state the amount of any recommended penalty;
 - (3) state any recommended sanction; and
 - (4) inform the respondent of the respondent's right to a hearing on the occurrence of the violation, the amount of the penalty, or the imposition of the sanction.
- (g) The Director may dismiss complaints that clearly do not allege misconduct or that are not within the Commission's jurisdiction. The Director must inform the Commission of all dismissals made under this rule. A person who files a complaint that is dismissed under this rule may request in writing that the Commission reconsider the complaint.

5.9 Penalty Paid, Sanction Accepted, or Hearing Requested

- (a) Not later than the 20th day after the date that the respondent receives the notice sent under Rule 5.8(e), the respondent in writing may:
 - (1) accept the determination of the Commission and recommended penalty or sanction; or
 - (2) request a hearing on the occurrence of the violation, the imposition or amount of the penalty, or the imposition of the sanction.

- (b) If the respondent accepts the determination and recommended penalty or sanction or fails to respond to the notice, the Commission by order must approve the determination and impose the recommended penalty or sanction.

5.10 Notice; Hearing

- (a) If the respondent requests a hearing, the Commission must give the parties written notice of the hearing that includes the time, place, legal authority, and jurisdiction under which the hearing is held and the laws and rules related to the violation.
- (b) The presiding officer of the Commission may hold prehearing conferences.
- (c) The respondent may appear, testify, present evidence, and respond to questions from the Commission at the hearing. The complainant may appear and may testify at the discretion of the prosecutor and the presiding officer.
- (d) A party may appear by telephone or videoconference or present the testimony of a witness by telephone or videoconference according to the procedures below.
 - (1) A party may request to appear by telephone or to present the testimony of a witness by telephone, upon timely motion stating the reason for the request, containing the pertinent telephone number, and affirmatively stating that the proposed witness will be the same person who appears telephonically at the hearing. A party may request to appear by videoconference or to present the testimony of a witness by videoconference, upon timely motion stating the reason for the request and the city in which the party or witness will be located at the time of the proceeding. A timely motion for telephone or videoconference appearance will not be deemed granted unless granted by written order of the presiding officer.
 - (2) The motion is timely if it is filed no later than 10 days before the hearing. The presiding officer may grant an exception to this requirement if it clearly appears from specific facts shown in writing that compliance with the deadline was not reasonably possible and that failure to meet the deadline was not the result of the negligence of the party.
 - (3) All substantive and procedural rights apply to telephone and videoconference proceedings, subject only to the limitations of the physical arrangement.

- (4) Documentary evidence to be offered at a telephone or videoconference proceeding must be served on all parties and filed with the Commission at least seven days before the proceeding unless the presiding officer, by written order, amends the filing deadline. If a party intends to utilize documentary evidence with a witness at a telephone or videoconference proceeding, it is the offering party's responsibility to ensure that the witness has the document.
- (5) For a telephone or videoconference proceeding, the following may be considered a failure to appear and grounds for default:
 - (A) failure to answer the telephone or videoconference line;
 - (B) failure to free the line for the proceeding; and
 - (C) failure to be ready to proceed as scheduled.
- (e) At the request of the Commission, at least one member of the applicable advisory board review committee may attend the hearing to consult with the Commission on the reasons for the advisory board review committee's recommendations under Rule 5.8(d).
- (f) At the hearing, the Commission must apply the general rules of evidence applicable in a district court, except that the Commission may admit and consider any information that the Commission determines is relevant, trustworthy, and necessary for a full and fair adjudication and determination of fact or law. The Commission may establish rules for the conduct of the hearing.
- (g) The Commission will deliberate and announce its decision at the conclusion of the hearing. The Commission must make findings of fact and conclusions of law and must promptly issue an order on the occurrence of the violation, the amount of any penalty imposed, and the imposition of any sanction. The Commission must serve the respondent and the complainant with a copy of the order by certified mail with return receipt requested or by certified mail with electronic return receipt.
- (h) The notice of the Commission's order under (g) must include a statement of the right of the respondent to appeal the order under Section 153.058 of the Government Code.
- (i) The complainant and respondent are each responsible for their own costs of preparing for and attending the hearing.
- (j) If the respondent fails to appear at the hearing:

- (1) upon proof that notice of the hearing was given to the respondent, the Commission may proceed in the respondent's absence; and
- (2) the factual allegations in the complaint may be deemed admitted.
- (k) Proof that a document was sent to a party's last known address, as shown by the Commission's records, creates a rebuttable presumption that the document was received. The addressee's failure to claim a document that was properly addressed and served is insufficient to rebut the presumption.

5.11 Options Following Decision: Pay, Accept, or Appeal

Not later than the 30th day after the date that the Commission issues an order imposing an administrative penalty or sanction, the respondent must:

- (a) pay the penalty or accept the sanction; or
- (b) file an appeal of the Commission's order contesting the occurrence of the violation, the imposition or amount of the penalty, or the imposition of the sanction.

5.12 Collection of Penalty

- (a) If the respondent does not pay the penalty and the enforcement of the penalty is not stayed, the Attorney General may sue to collect the penalty and may recover reasonable expenses, including attorney's fees, incurred in recovering the penalty.
- (b) A penalty collected under these rules will be deposited in the state treasury in the general revenue fund.

5.13 Appeal

- (a) A person seeking to appeal an order that imposes a penalty or sanction must submit a written appeal of the order to the General Counsel of the Office within 30 days after the Commission's order is issued. The General Counsel must promptly forward the appeal to a special committee consisting of three Administrative Regional Presiding Judges.
- (b) The committee will be chosen by the Presiding Judges, but the committee must not include the Presiding Judge for the administrative region in which the appellant resided at the time of the decision. If the alleged violation involves a certified guardian, the committee must consist of two Regional Presiding Judges and the Presiding Judge of the statutory probate courts.

- (c) The General Counsel must notify the Commission of the filing of an appeal and, upon request, must make the appeal materials available to the Commission or its legal representative.
- (d) The appeal must contain:
 - (1) a copy of the notice of the Commission's order with which the appellant is dissatisfied; and
 - (2) a statement succinctly explaining why the appellant is dissatisfied with the Commission's decision.
- (e) The Office must adopt rules or policies to ensure that any Office employee who provides clerical, administrative, or other direct support to the Commission does not communicate regarding the substance of any appeal under this rule with any other Office employee who facilitates the appeal process under this rule. The rules or policies must also provide that Office employees may communicate regarding nonsubstantive aspects of appeals, such as to ensure the completeness and accuracy of appeal materials to be forwarded to the special committee.
- (f) Upon receiving notice of an appeal of a disciplinary action imposing a penalty or sanction, the Commission must provide to the General Counsel, and the General Counsel must submit to the special committee, electronic or paper copies of the complaint and any original attachments, any written answer timely submitted by the appellant, notice of the Commission's decision imposing a penalty or sanction, and any other documents or written evidence considered by the Commission pertaining to the decision complained of on appeal. The Commission must provide a copy of these items to an appellant upon request, and may charge costs for such copies as set forth in Rule 12.7 of the Rules of Judicial Administration.
- (g) Absent approval by the special committee, submission of materials other than those described in (f) is prohibited. The special committee may, in its sole discretion, allow an appellant to submit additional written materials relating to the appeal. Otherwise, only the written materials described in (f) will be considered. A request to submit additional materials must clearly identify the additional materials for which inclusion is requested.
- (h) The special committee must consider the appeal under an abuse of discretion standard of review for all issues except issues involving questions of law. The standard of review for issues involving questions of law is de novo. Under either standard, the burden is on the appellant to establish that the Commission's decision was erroneous.

- (i) The special committee may consider the appeal without a hearing and may conduct its deliberations by any appropriate means. The special committee may, in its sole discretion, conduct a hearing and allow testimony from the appellant or any other person with knowledge of the underlying facts relating to the disciplinary action complained of.
- (j) The special committee may confer in writing with a certification, registration, or license holder who is in the same profession as the appellant if the special committee provides to the appellant:
 - (1) notice of the special committee's request for information; and
 - (2) a copy of the certification, registration, or license holder's response.
- (k) If the special committee sustains the finding that a violation occurred, the special committee may:
 - (1) uphold or reduce the amount of any penalty and order the appellant to pay the full or reduced amount of the penalty; and
 - (2) uphold or reduce any sanction and order the imposition of the sanction.
- (l) If the special committee does not sustain the finding that a violation occurred, the special committee must order that a penalty is not owed and that a sanction may not be imposed.
- (m) If the appellant paid the penalty and if the amount of the penalty is reduced or the penalty is not upheld by the special committee, the special committee must order that the appropriate amount plus accrued interest be remitted to the appellant not later than the 30th day after the date the judgment of the special committee becomes final. The interest accrues at the rate charged on loans to depository institutions by the New York Federal Reserve Bank. The interest must be paid for the period beginning on the date the penalty is paid and ending on the date the penalty is remitted.
- (n) The special committee must notify the Commission and appellant in writing of its decision. No rehearing or further appeal is allowed.

5.14 Disposition by Agreement

- (a) Any disciplinary matter may be disposed of by agreement, unless precluded by law. The agreement must be in writing and may be in the form of a stipulation, a settlement agreement, or a consent order.

- (b) The Commission may designate its presiding officer or the Director to adopt or reject an agreement.
- (c) The agreement must:
 - (1) include proposed findings of fact and conclusions of law; and
 - (2) be signed by all parties to the agreement and their representatives.
- (d) Upon receipt of the agreement, the Commission or the Director may:
 - (1) adopt the agreement and issue a final order;
 - (2) reject the agreement and remand the disciplinary matter for a hearing before the Commission;
 - (3) reject the agreement and order further investigation by the Director;
or
 - (4) take such other action as the Commission or the Director find just.

5.15 Alternative Dispute Resolution

- (a) In addition to the procedures under Rule 5.14, the Commission encourages the resolution and early settlement of all contested disciplinary matters through voluntary settlement procedures.
- (b) At any time after the filing of a complaint against a regulated person, the Director may initiate a settlement conference on the Director's own motion or at the request of any party. Settlement conferences are voluntary.
- (c) The complainant and the respondent are the parties in a settlement conference. The Commission (through one or more Commission members, Office staff, or counsel) may also participate as a party in a settlement conference at the sole option of the presiding officer.
- (d) A settlement conference may be used to reach agreement about all or a portion of the ultimate issues in a disciplinary matter or to reach agreement about how to handle disputed matters. The parties may use a mediator for a settlement conference or conduct the settlement conference without a mediator.
- (e) The complainant and the respondent may not bind the Commission to any resolution of a disciplinary matter pending before the Commission. The presiding officer may appoint one or more Commission members or staff to attend the settlement conference. The Commission representative must

participate in the proceedings in an effort to resolve the dispute within the parameters of any instructions received from the Commission.

- (f) In the event a settlement of some or all of the disputed issues is reached during the settlement conference, the Commission must review the terms of the settlement at the next regularly scheduled Commission meeting. The Commission may accept the settlement terms, reject the settlement terms and restore all proceedings on the disciplinary matter to the status quo as it existed immediately prior to the settlement conference, or refer the matter for further negotiation.
- (g) The parties may agree to retain a mediator to assist with the settlement conference.
 - (1) The parties must notify the presiding officer in writing of their agreement to retain a mediator. That notice must include the name, address, and telephone number of the mediator selected; a statement that the parties have entered into an agreement with the mediator as to rate and method of his or her compensation; and an affirmation that the mediator is qualified to serve.
 - (2) Upon receipt of a properly filed notice under (1), the presiding officer will enter an order referring the case to the mediator.
- (h) If the parties do not agree to a mediator, the presiding officer may appoint an individual to serve as mediator in the settlement conference.
- (i) An individual appointed to serve as a mediator under (g) or (h) must meet the qualifications set forth in the Civil Practice and Remedies Code Section 154.052. Pursuant to Section 154.052(c) of the Code, an individual who has served as a judge in Texas may be appointed to serve as a mediator.
- (j) The Commission will not pay any fees or costs associated with a settlement conference unless good cause is shown and the Commission and Office agree to do so prior to the settlement conference.
- (k) All communications in the settlement conference between or among the parties, and between each party and mediator, if any, are confidential under the same terms as provided in Section 154.053 of the Civil Practice and Remedies Code. Information shared with the mediator in separate meetings will not be given to any other party unless the party sharing the information explicitly gives the mediator permission to do so. Material provided to the mediator is not required to be provided to the other parties and will not be filed or become a record in the disciplinary proceedings. Notes taken during the settlement conference by the parties and the mediator must be destroyed at the end of the process.

- (l) Any agreement reached by the parties will be reduced to writing and signed by the parties before the end of the settlement conference. These writings may be informal in nature. The parties may agree that the written agreement remain confidential if there is no requirement of law to the contrary. Any part of the agreement that may affect the disposition of the disciplinary proceeding (such as agreements concerning relevant facts) must be filed in the record of the disciplinary proceeding.
- (m) If the parties use a mediator for the settlement conference, the mediator must maintain confidentiality in accordance with Section 2009.054 of the Government Code. The mediator may not communicate to the Commission matters discussed with the parties in the settlement conference. The mediator will report to the Commission in writing whether the settlement conference resulted in a settlement of the matter in dispute, or other stipulations or matters that the parties agreed be reported.
- (n) Required Filings. The following documents must be filed with the Commission: any request for the appointment of a mediator, any objection to the referral of the matter to a settlement conference, any objection to the appointment of a mediator, any notice required to be given, any settlement agreement, any report prepared by the mediator, and any similar documents as may become necessary or appropriate in the course of the settlement conference.

- (2) A person may not assume or use the title or designation “court recorder,” “court reporter” or “shorthand reporter,” or any abbreviation, title, designation, words, letters, sign, card, or device tending to indicate that the person is a court reporter or shorthand reporter, unless the person is certified as a shorthand reporter by the Supreme Court of Texas. Nothing in this rule must be construed to either sanction or prohibit the use of electronic court recording equipment operated by a noncertified court reporter pursuant and according to rules adopted or approved by the Supreme Court of Texas.
- (b) A court reporting firm and its affiliate offices must register with the Commission. Unless a firm and its affiliate offices are registered with the Commission, the firm must not:
- (1) use the title or designation “court recording firm,” “court reporting firm,” or “shorthand reporting firm” or any abbreviation, title, designation, words, letters, sign, card, or device tending to indicate that the firm is a court reporting firm or shorthand reporting firm; or
 - (2) offer services as a court reporting firm or shorthand reporting firm, unless the firm and its affiliate offices are registered with the Commission.
- (c) A certification or registration expires at 12:01 a.m. on January 1 following the second anniversary of the date on which it was issued unless the certification or registration is renewed before that time pursuant to Rule 6.3(d)(1). Thereafter, the certification or registration expires at 12:01 a.m. on each second January 1 unless renewed.

- (f) To qualify for certification, a person must:
 - (1) satisfy the requirements of Section 3.0 of these rules;
 - (2) pass an examination as required by the Commission in one or more of the methods of shorthand reporting authorized by Rule 6.2(a)(1); and

 - (1) To take an examination, an applicant for certification must file the required forms and pay the required fees according to the deadlines established by the Commission.
 - (2) Prior to or simultaneously with the submission of an applicant's application to take Part A of the examination, the applicant must submit a statement of proficiency.
 - (A) The statement of proficiency must be on the form provided by the Commission and must contain the certification of a court reporting school instructor.

The two tests must have been taken and passed no more than one year apart.
- (E) The applicant may not be deemed eligible to take an examination until the Commission receives the statement of proficiency.
- (F) If the Commission has on file a valid statement of proficiency for an applicant, the applicant is not required to file a new statement of proficiency. A statement of proficiency is valid for one year from the date of the last proficiency test described in (C) and must be valid on the date of the examination for which the applicant has applied.
- (G) In lieu of the statement of proficiency, an applicant who is certified as an RPR or pursuant to a national examination that the Commission determines is of equivalent or greater degree of difficulty than the RPR examination may submit a letter from the certifying organization.

- (J) The letter submitted under (G) is valid until the next expiration date of the applicant's national certification.

- (h) Each examination will be given in two parts to be designated Part A and Part B.
 - (1) Part A component.
 - (A) Part A will be composed of five minutes of two-voice dictation of questions and answers given at 225 words per minute, five minutes of dictation of a jury charge given at 200 words per minute, and five minutes of dictation of selected literary material given at 180 words per minute.
 - (B) Each applicant must personally take down the test and must reduce the takedown to writing.
 - (C) The minimum passing grade on each section of Part A is 95% accuracy. An error will be charged for:
 - (i) each wrong word;
 - (ii) each omitted word;
 - (iii) each added word not dictated;

 - (x) each wrong number.
 - (D) Applicants may use a dictionary during Part A.
 - (E) Applicants will be allowed three hours to complete the transcription of Part A of the test. If time permits, an applicant may review his or her transcript but may use only the original takedown from which the transcript was prepared to review the transcript.

- (2) Part B component.
 - (A) Part B of the test must consist of objective questions touching on elementary aspects of court reporting, spelling, and grammar and Texas rules and procedure.
 - (B) Applicants may not use a dictionary during Part B.
 - (C) The minimum passing grade on Part B is 75%.
- (3) Notwithstanding Rule 3.11(d), an applicant who passes Part A or Part B of the examination but fails the other part will not be required to be reexamined on the part that the applicant passed.
- (i) An applicant who fails an examination may request that the examination be regraded by sending a written request to the Commission office within 20 days of the date of notice that the applicant has failed the examination. If the examination is regraded, the Commission will inform the applicant of the results of the regrading. Upon receipt of the regrading results, the applicant may request a personal review of the examination with a member of the advisory board. The request for a personal review must be in writing and filed within twenty days of the notice of regrading results.
- (j) The Commission must certify to the Supreme Court of Texas the names of applicants who have completed all application requirements and are determined on examination to be qualified in professional shorthand reporting. In its certification, the Commission must specify the method or methods of reporting used by each successful applicant in taking the examination.
- (k) A person certified under Chapter 52 of the Government Code prior to September 1, 1983, may retain a general certification authorizing the person to use any method of shorthand reporting authorized in Rule 6.2(a)(1), provided that the person keeps the certification in continuous effect.
- (l) To register, a court reporting firm or affiliate office must pay all required fees and register on a form provided by the Commission. The registration form must state whether any officers, directors, or managerial employees of the firm or affiliate office have been finally convicted of a felony or misdemeanor other than a minor traffic offense or juvenile offense.
- (m) The Commission may:
 - (1) refuse to certify to the Supreme Court the application of a person who was finally convicted of an offense that directly relates to the

duties and responsibilities of a certified court reporter as determined using the factors listed in Rule 3.5; or

- (2) refuse to register a court reporting firm or affiliate office if an officer, director, or managerial employee of the firm or affiliate office was finally convicted of a felony or misdemeanor that directly relates to providing court reporting services as determined using the factors listed in Rule 3.5.

6.3 Renewal of Certification or Registration

- (a) Notwithstanding Rule 3.2(b), not later than the 30th day before the date a court reporter's or court reporting firm's certification or registration is scheduled to expire, the Commission will notify the reporter or firm of the impending expiration at the reporter's or firm's last known address according to the Commission's records. Failure to receive the notice does not exempt a court reporter or a court reporting firm from any requirements of these rules.
- (b) Nonrenewal due to student loan default.
 - (1) The Commission must not renew the certification of a certified shorthand reporter who is designated to be in default on loans guaranteed by the Texas Guaranteed Student Loan Corporation (TGSLC) under Section 57.491(c) of the Education Code unless the reporter presents to the Board a certificate issued by TGSLC certifying that:
 - (A) the reporter has entered a repayment agreement on the defaulted loan; or
 - (B) the reporter is not in default on a loan guaranteed by TGSLC.
 - (2) The Commission must not renew the certification of a certified shorthand reporter who is designated to be in default on a repayment agreement with TGSLC under Section 57.491(g) of the Education Code unless the reporter presents to the Commission a certificate issued by TGSLC certifying that:
 - (A) the reporter has entered another repayment agreement on the defaulted loan; or

8.0 Process Server Certification

8.1 Definitions

Certified process server means a person who is certified by the Commission to serve process statewide.

8.2 Initial certification requirement

- (a) A person seeking statewide certification to serve process must file with the Commission an application, sworn or under penalty of perjury, in the form prescribed by the Commission.
- (b) An application must comply with the requirements of Rule 3.1 and also contain a statement indicating whether the applicant has ever been convicted of a felony or of a misdemeanor involving moral turpitude. The Commission or Director may deny certification to an applicant convicted of a felony or of a misdemeanor involving moral turpitude. If an applicant's

criminal history reflects that the applicant was charged with a felony or a misdemeanor involving moral turpitude and the charges resulted in an outcome other than acquittal or conviction (such as pretrial diversion, probation, deferred adjudication, community supervision, or similar result), the Commission or Director may consider the applicant's criminal history using the factors listed in Rule 3.5 in determining whether the application should be granted.

- (c) The application must include a certificate from the director of a civil process service course, approved by the Commission for certification in every state court, stating that the applicant has completed the approved course within the prior year for initial certification. The applicant bears the burden of establishing that he or she has completed within the prior year a course approved by the Commission for certification in every state court.
- (d) Applications will be reviewed and either approved or rejected for good cause stated. In appropriate circumstances, the Commission or Director may approve applications on a conditional or probationary basis.
- (e) Certification is effective for three years from the last day of the month that the certification issues, unless it is revoked or suspended under these rules.

8.3 Renewal of certification

- (a) To renew a certification, a process server must timely submit to the Commission a renewal application, including a current criminal history statement and all applicable fees, and complete the continuing education requirements in Rules 4.1-4.3 and 8.5.
- (b) The renewal application and all applicable fees are due 45 days prior to the expiration of the certification. An application is timely if it is postmarked on or before the due date. Failure to complete a renewal application at least 45 days prior to expiration may result in a lapse of certification.
- (c) A certified process server whose certification expires between September 1, 2014 and August 31, 2017 must, before renewing the certification, provide the Commission with his or her Texas and national criminal history records by having his or her fingerprints submitted according to directions published on the Commission's website. The Texas and national criminal history searches must be conducted no earlier than 90 days preceding the date the renewal application is submitted.

8.4 Enforcement

After notice and hearing under Rule 5.10, the Commission may revoke, suspend, or refuse to renew any certification issued under Rule 8.2; issue a letter of

reprimand to a certified process server; or impose an administrative penalty on a certified process server for:

- (a) conviction of a felony offense or of a misdemeanor offense involving moral turpitude, as determined using Rule 3.5; or
- (b) other good cause as determined by the Commission.

8.5 Continuing Education

- (a) To renew certification, a certified process server must establish that all required continuing education has been completed. Rules 4.1-4.3 supplement this rule and establish additional requirements for continuing education.
- (b) A certified process server must complete at least 12 hours of approved continuing education during the process server's three-year certification period. For process servers who are already certified on the effective date of these rules, the three-year requirement begins with the process server's next three-year certification period.
- (c) A continuing education activity for a certified process server must be an organized program of learning dealing with matters that are directly related to service of process. A continuing education activity should increase participants' understanding of the Texas judicial system, the responsibilities of a certified process server, and the certified process server's impact on the judicial process and the public.
