## Per Curiam Rule 12 Decision

**APPEAL NO.:** 22-017

**RESPONDENT:** Montgomery County Office of Court Administration

**DATE:** February 2, 2023

**SPECIAL COMMITTEE:** Judge Stephen B. Ables, Chairman; Judge Sid Harle; Judge Dean Rucker; Judge Alfonso Charles; Judge Susan Brown

Petitioner submitted several records requests to Respondent relating to various associate judge appointments. At first, Respondent denied access to the records under several Rule 12.5 exemptions. Sometime after the denial was issued, however, Respondent located certain documents responsive to the request, which it provided to both the special committee and Petitioner in its reply to the Petition. Respondent notes it cannot locate any additional responsive documents to Petitioner's request.

Respondent has provided Petitioner with documents responsive to the request and indicated it cannot locate any additional responsive documents. There being no additional withheld responsive records for the special committee's consideration, the appeal is dismissed.
