Analysis of Activity for the Year Ending August 31, 1986

The Supreme Court of Texas is the highest state court for civil appeals and promulgates rules of administration and civil procedure for the courts of Texas. It is comprised of the Chief Justice and eight justices.

The Court "passed on" (disposed of or otherwise acted upon) a total of 2,169 matters during fiscal 1986, an increase of 13 percent over the 1,920 matters passed on in fiscal 1985 and 28.8 percent more than the 10-year average of 1,684.

Regular Causes

The 139 regular causes added to the Court's docket were 21.9 percent less than the 178 regular causes added in fiscal 1985 but 13 percent more than the 10 year average of 123.

The 140 regular causes disposed of were 12.5 percent less than the 160 disposed of in fiscal 1985 but 15.7 percent more than the 10-year average of 121. One hundred thirteen of the regular causes disposed of during 1986 came to the Court on application for writ of error from one of the 14 Courts of Appeals. Of those 113 dispositions, the lower courts were reversed in whole or in part in 94 causes, or 83.2 percent. This compares to 76.6 percent reversals in fiscal 1985.

The 29 regular causes (not including motions for rehearing) left pending at the end of fiscal 1986 represented 16.7 percent of the total number of regular causes added during the year or carried over from the previous year. This is 13 causes fewer than the 10-year average of 42 pending causes. At the end of fiscal 1985, 34 regular causes had been pending in the Court.

Applications for Writs of Error

The 1,044 applications for writs of error filed during fiscal 1986 represented a 4.6 percent increase over the 998 applications filed in fiscal 1985, and was 20 percent more than the 10-year average of 867.

The 982 applications for writs of error disposed of during the year was 3.5 percent less than the 1,018 disposed of

during fiscal 1985, and a 15.9 percent increase over the 10-year average of 847. Of those 982 applications disposed of, 113 (or 11.5) percent were granted.

The 350 applications for writs of error left pending at the end of fiscal 1986 represented 26.3 percent of the total number of such applications filed during the year or carried over from the previous year. This is 131 more pending applications than the 10-year average of 219 pending applications. At the end of fiscal 1985, 288 applications for writs of error had been pending in the Court.

Other Writs and Motions

The 1,047 other writs and motions filed during fiscal 1986 were 39.4 percent more than the 751 filed during fiscal 1985. This is 331 more than the 10-year average of 716 other writs and motions filed.

The 1,047 other writs and motions disposed of during fiscal 1986 were 41.1 percent more than the 742 disposed during fiscal 1985. This is 332 more dispositions than the 10-year average of 715 dispositions.

The 102 other writs and motions left pending by the Court at the end of fiscal 1986 represented 8.9 percent of the total number of other writs and motions filed during the year or carried over from the previous year. This compares to a 10-year average of 9.1 percent. At the end of fiscal 1985, 102 other writs and motions had been pending in the Court.

Opinions Written

During fiscal year 1986, the justices of the Supreme Court wrote 179 opinions (or an average of 19.9 opinions each), 17.5 percent less than the 217 opinions written in fiscal 1985 but 8.5 percent more than the 10-year average of 165. Of the opinions written in 1986, 131 (or 73.2 percent) were deciding opinions which disposed of causes.

During fiscal 1986, the Supreme Court heard oral argument of 93 causes and considered an additional 47 causes submitted on briefs.

^{* &}quot;Regular Causes" are reported in a separate category because they are the cases which pass through most, if not all, of the steps of the regular appellate decision—making process. Regular causes are cases in which oral argument of counsel in open court is received (unless walved) and in which the Court's decision is usually reported in a written opinion. Most are reviewed in conference by the Supreme Court, before oral argument and decision, upon application for writ of error, with three or more of the justices voting that the decision of the Court of Appeals was erroneous and that the writ therefore should be granted. A similar procedure is followed regarding petitions for original mandamus and habeas corpus, which become "Regular Causes" only after review and vote in conference. "Cases Other Than Regular Causes" include such actions as the Court's rejection in conference of an application for writ of error or application to file a petition for original mandamus or habeas corpus. This category is obviously larger than that of regular causes.
