Mr. Maynard Lee Roberts, Jr.  
59 Darrington Road  
Rosharon, Texas 77583

Dear Mr. Roberts:

The Texas Forensic Science Commission ("FSC") received your complaint on September 12, 2012. Your complaint was forwarded to the Innocence Project of Texas on September 13, 2012. The complaint was processed and dismissed by the FSC at its quarterly meeting on October 5, 2012. The complaint was dismissed because the entity against which the complaint was filed, Texoma Medical Center, is not a Texas Department of Public Safety ("DPS") accredited laboratory. Thus, the complaint falls outside the limited jurisdiction of the FSC. (TEX. CODE CRIM. PROC. art. 38.01 §4).

At the FSC's October 5, 2012 meeting, FSC members instructed staff to forward the enclosed complaint to the appropriate Texas nursing licensing board. The complaint was forwarded to the Texas Board of Nursing on December 12, 2012.

Thank you.

Sincerely,

A handwritten signature in blue ink, appearing to read "L. Tomlin".
