Re: Texas Forensic Science Commission ("FSC") File No. 1129.16.04

Dear Mr. De La O:

At its February 12, 2016 meeting, the FSC voted unanimously to dismiss your complaint for failure to allege any misconduct or negligence on the part of an accredited laboratory or analyst relative to any forensic analysis conducted in your case. The Commission found that the complaint allegations were not supported by the information provided and the laboratory's response.

Thank you and please let us know if we may be of any additional assistance to you.

Sincerely,
