Re: Texas Forensic Science Commission ("FSC") File No. 1130.16.05

Dear Mr. Webb:

At its February 12, 2016 meeting, the FSC voted unanimously to dismiss your complaint for failure to allege any misconduct or negligence on the part of an accredited laboratory or analyst relative to any forensic analysis conducted in your case. An autopsy examination by a medical examiner or forensic pathologist is not subject to Commission jurisdiction. The Commission determined the blood spatter testimony in this particular case was part of the autopsy finding by the pathologist and therefore expressly falls outside Commission jurisdiction.

Thank you and please let us know if we may be of any additional assistance to you.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nick Vilbas".
