Re: Response to your letter to Texas Forensic Science Commission ("TFSC")

Dear Mr. Webb:

In response to your recent letter, your complaint was forwarded to the DNA Mixture Retroactive Case Review Team on June 27, 2016. Since your case originated in Dallas County, your contact will be Ms. Lakisha Camese at the Dallas County Public Defenders Office. She is a paralegal there who is assisting with the case review. Her address is: Frank Crowley Courts Building, 133 N Riverfront Blvd #9, Dallas, TX 75207.

Questions regarding the status of your case should be directed to Ms. Camese. This is a very large, time-consuming project due to the nature and volume of cases. You should receive a letter informing you as to your case status after it is reviewed. Thank you for your patience

Sincerely,

Kathryn Adams
Commission Coordinator
