Re: Disposition of Complaint No. 1180.16.55

Dear Mr. Carrizales:

This letter is to inform you the Commission has dismissed your complaint because it does not state an allegation of negligence or misconduct against an accredited forensic laboratory. Your complaint includes allegations concerning a physical examination by a Sexual Assault Nurse Examiner or SANE (from the documents you provided, Wanda Tessmur appears to be a SANE), as well as general allegations concerning your attorney and the prosecutor at trial.

For your convenience, I have enclosed complaint forms for the Texas Board of Nursing and the State Bar of Texas should you wish to file a complaint against the SANE and/or the attorneys involved in your trial. I am also sending a list of state innocence clinics if you want to submit your case to those agencies for consideration.

Please let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
