Re: Your recent letter to Texas Forensic Science Commission ("TFSC")

Dear Mr. Dodson:

In response to your recent letter requesting a copy of "the final report that was filed against Tarrant County Medical Examiner's Office..." I am letting you know that there is no such report here. If you are referring to your own complaint, it was referred to the Commission's DNA Mixture Review Team and will be handled from there and not directly with this office.

The DNA team is reviewing many cases from all over the state, so the process is going to take some time. After your case is reviewed, you will receive a letter from the team letting you know the status.

Thank you.

Sincerely,

Kathryn Adams
