Re: Disposition of Complaint No. 1188.16.63

Dear Mr. Jackson:

This letter is to inform you that the Commission has dismissed your complaint for failure to state an allegation of negligence or misconduct against an accredited forensic laboratory. This Commission's jurisdiction extends to crime laboratories accredited in the State of Texas and consideration of physical evidence analyzed therein that may be linked to a particular crime.

Your complaint makes general allegations of witness misstatements, ineffective counsel and false testimony by the State's expert witness who appears to be an ophthalmologist. None of these issues are within the purview of this Commission to investigate.

For your convenience I have enclosed a list of state innocence clinics should you wish to submit your case for consideration by one or more of them. Please let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
