Re: Disposition of Complaint No. 1189.16.64

Dear Mr. Johnson:

Your complaint has been dismissed by the Commission because it does not state an allegation of professional negligence or misconduct against an accredited forensic laboratory. This commission has no authority or jurisdiction over any "entities of law," the stated subject of your complaint, or the ability to investigate conspiracy theories.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
