Re: Texas Forensic Science Commission ("Commission") Complaint #16.69  
Richards (DPS Garland/Blood Alcohol)

Dear Mr. Richards:

This letter is to let you know that your case lab work recently underwent technical review at the Texas Department of Public Safety's Austin laboratory. Results of the original analysis were confirmed as correct.

You will be notified if there are any material changes to this conclusion resulting from the Commission's broader review of Chris Youngkin's work and related trial testimony.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams  
Commission Coordinator
