Re: Texas Forensic Science Commission ("Commission") Complaint #17.05

Dear Mr. Ware:

At its August 18, 2017 meeting, the Commission voted to dismiss the referenced complaint in light of Dr. Bruce Budowle's analysis regarding the DNA evidence in Mr. Millage's case. We are preparing a follow-up letter to Bode/Orchid Cellmark outlining some interpretation concerns Dr. Budowle raised and will copy you on that letter.

Thank you and please let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams
Commission Coordinator
