Re: Status of TFSC Complaint No. 17.14

Dear Mr. Gibson:

This is to inform you that your complaint against Fire Marshal Jerry Hawk has been referred to the State Fire Marshal's Science Advisory Workgroup ("SAW"). This group specifically reviews arson cases that may have been tried under standards not currently considered acceptable.

Please direct future correspondence concerning this case to your Waco attorney, Stanley L. Schwieger, 600 Austin Avenue, Suite 12, Waco, TX 76701-2044. All case documentation has been forwarded to the work group for review; the group is aware of your representation by Mr. Schwieger's firm and will use that as a point of contact for you.

Please let me know if I may be of any additional assistance. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
