Re: Texas Forensic Science Commission Complaint No. 17.16;
Billy Joe Booker (IFL; Elizabeth Feller)

Dear Mr. Booker:

At its May 26, 2017 meeting the Commission voted unanimously to dismiss your complaint because, though Ms. Feller was the subject of a previous investigation by the Commission, the analysis she performed in your case was not admitted into evidence at trial. The fact that the prosecutor stated the results of Ms. Feller's analysis during argument is not a matter in which the Commission has authority to intervene, as it has no jurisdiction over lawyers or judges.

I have enclosed of list of innocence clinics operating in Texas should you wish to submit your case to one of them for consideration. Thank you and please let me know if I may be of any additional assistance to you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
