Re: Status of Complaint to the Texas Forensic Science Commission ("TFSC")

Dear Mr. Walker:

This letter is to let you know that your complaint has been referred to TFSC's statewide DNA Mixture Retroactive Case Review for evaluation. The review is being conducted under the supervision of Mr. Bob Wicoff, Appellate Division Chief of the Harris County Public Defender's Office.

Your case will be reviewed by attorneys and a decision will be made regarding your eligibility for recalculation of the DNA evidence. The review team will inform you by letter of its decision. Communication concerning your case should be directed to the review team at the following address and NOT to TFSC:

DNA Review
P.O. Box 283
Houston, TX 77001.

Thank you and please let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
