Re: Complaint No. 17.42; LaVoie, Maurice Edward (Madison Co. Prosecutors; DNA)

Dear Mr. LaVoie,

This letter is to inform you that the referenced complaint was dismissed for lack of jurisdiction. This commission is the oversight body for forensic laboratories accredited in the State of Texas. Your complaint was against two attorneys over whom the Commission has no authority. Complaints against attorneys should be made to the State Bar of Texas; a form for this purpose is enclosed.

In addition, no laboratory was specified in your complaint which gives the Commission nothing to investigate. A new Texas Forensic Science Commission complaint form is also enclosed should you have a specific lab against which you would like to file a complaint.

Thank you and let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
