RE: FSC Complaint #09-18

Dear Mr. Propes:

On November 1, 2013, the Texas Forensic Science Commission (FSC) voted to dismiss the allegations in your September 20, 2013 letter, because the complaint falls outside the FSC's jurisdiction. The complaint contains no specific allegation of forensic negligence or misconduct, but is based on general allegations of conspiracy by law enforcement. The Commission does not have the authority to investigate law enforcement complaints.

Without new information, the Commission will not review further duplicative complaints from you.

Respectfully,

Leigh M. Tomlin
Commission Coordinator
