RE: FSC Disclosure 17.44 – DPS Tyler (Seized Drugs/Evidence Handling)

Dear Mr. Hilbig:

At its August 18, 2017 meeting, the Commission reviewed the disclosure referenced above and determined the following:

Based on the documentary information provided by the laboratory, including the root cause analysis, corrective action plan, case review and other steps taken by the laboratory to ensure the integrity and reliability of the laboratory's seized drug casework, the Commission decided no further action beyond the action plan described in the materials provided is necessary at this time. If the laboratory identifies any material changes to the information provided at the meeting regarding this disclosure, please notify the Commission as soon as possible.

If you have any questions, please feel free to contact the Commission office.

Best regards.

Sincerely,

Leigh M. Savage
