RE: FSC Disclosure #14-11 – DPS Austin (Toxicology)

Dear Pat:

At its August 1, 2014 meeting, the Commission reviewed the disclosure referenced above and determined the following:

Based on the information provided, including the quality action plan initiated by the laboratory in response to the non-conformances identified in the toxicology section, no further action by the laboratory is necessary at this time.

The Commission encourages the laboratory to continue to ensure that all relevant stakeholders receive notice of the issues identified in the disclosure.

If the laboratory identifies any material changes to the information provided at the meeting regarding this disclosure, please notify the Commission as soon as possible.

If you have any questions for us, please feel free to contact the Commission office.

Best regards.

Sincerely,

A handwritten signature in blue ink, appearing to read "LH".
