Re: TFSC Complaint No. 18.33; Miller, Jeremy BJ (Ft. Worth PD; Firearms/Toolmarks)

Dear Mr. Miller,

This letter is to let you know that the referenced complaint was dismissed by the Commission at its October 5, 2018 meeting because the analyst's remark that .38 caliber class projectiles include .9 millimeters was determined by commissioners to be an accurate statement.

I enclosed a list of innocence clinics operating in Texas if you care to submit your case for consideration. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".
