RE: TFSC Disclosure# 18.26 – State Fire Marshal’s Office (Fire Debris)

Dear Mr. Rucker:

At its July 20, 2018 meeting, the Commission considered the referenced disclosure. Based upon results of laboratory audits following the disclosure and subsequent agreement between the Texas Department of Insurance and the Texas Department of Public Safety, the Commission concluded no further action is necessary at this time.

The Commission requests that any additional relevant information, such as documents related to the laboratory’s recent ANAB assessment, be forwarded upon completion. Thank you and please contact me if I may be of any additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
