Re: Complaint No. 18.27 Holmes, George Ray (DPS Tyler; Seized Drugs)

Dear Ms. Holmes,

This letter is to inform you that the referenced complaint was unanimously dismissed by the commission at its July 20, 2018 meeting. The Texas Department of Public Safety provided a Supplemental Controlled Substance Analysis Laboratory Report dated September 21, 2016 in connection with your case.

This report reflects results of the analysis performed as "contains methamphetamine;" this directly contradicts allegations stated in the complaint. A copy of the report is included for your reference and convenience.

Thank you and let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in cursive script that reads "Kathryn Adams".
