Re: TFSC Complaint No. 18.40, Tyler Flood & Associates (DPS Houston; Blood Alcohol)

Dear Ms. Podlesney,

At its January 25, 2019 meeting commissioners voted to dismiss the referenced complaint. The complaint was tabled at the Commission's October, 2018 quarterly meeting and the laboratory was asked to provide a copy of its corrective documentation for review by commissioners.

Based upon the contents of the attached report and the corrective actions described therein, commissioners concluded the laboratory investigated the cause of the error, and took appropriate remedial actions to prevent such an incident from occurring in the future.

Thank you and let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Adams".

Kathryn Adams
Commission Coordinator
