RE: Complaint No. 18.46 Napper, Lawrence J. (HPD/HFSC; DNA)

Dear Mr. Napper,

This letter is to let you know that the referenced complaint was dismissed by the Commission's general counsel because it was submitted to the Commission's Texas DNA Mixture Review Project in April, 2018. Enclosed is an email from the director of the program confirming that your case is included in the project.

The DNA project was set up by the Commission specifically to review hundreds DNA mixture cases that may need recalculation of evidence under new protocols. Future inquiries about the status of your case should be made directly to the director, Mr. Bob Wicoff.

Thank you and please let me know if I may be of any additional assistance.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams  
Commission Coordinator
