Re: TFSC Complaint No. 18.47, Mediano, Jacob (UNTHSC; DNA/Paternity)

Dear Mr. Mediano,

At its January 25, 2019 meeting, the Commission voted to dismiss the referenced complaint. Commissioners reviewed the DNA analysis performed in the case related to paternity and were unable to identify any irregularities with the testing by the laboratory or the analyst.

As the regulatory body for crime labs accredited in the state of Texas, this commission has jurisdiction only over the performance of the analysis in this case. It has no jurisdiction over law enforcement and/or their protocols and procedures, nor does it have any control over how evidence is utilized in the courtroom.

Thank you and let me know if I may be of any additional assistance.

Sincerely,

Kathryn Adams  
Commission Coordinator
