Re: TFSC Complaint No. 17.54; McCluer, Roger (Hill County District Attorney
Nicole Crain)

Dear Mr. McCluer,

This letter is to inform you that your complaint against Hill County DA Nicole Crain has been dismissed for lack of jurisdiction. The TFSC investigates claims of negligence and misconduct against crime labs accredited in the State of Texas. It has no authority to consider claims against attorneys who are regulated by the State Bar of Texas. I have enclosed one of their grievance forms should you wish to pursue a claim against DA Crain.

I am also enclosing a new TFSC complaint form in case you wish to submit a claim concerning any of the laboratory work performed in your case. If you have no complaint of that nature, you may wish to contact an innocence clinic (list enclosed) about taking your case.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Kathryn Adams". The signature is fluid and cursive.
