Re: Texas Forensic Science Commission ("TFSC") Self-Disclosure No. 19.09, Bexar  
Co. CIL (Firearms/Toolmarks)

Dear Mr. Reat,

At its May 3, 2019 quarterly meeting, the TFSC voted to take no further action on the referenced self-disclosure. Commissioners based their decision in part upon the laboratory's representation that no additional non-conformities were found after a review of thirty-four of the analyst's cases.

If the laboratory identifies any material changes to the information provided in connection with this disclosure, please notify the Commission as soon as possible. Feel free to contact the Commission with any questions or concerns.

Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kathryn Adams".

Kathryn Adams  
Commission Coordinator
