Re: Texas Forensic Science Commission ("Commission") Self-Disclosure No. 19.20,  
Corpus Christi PD (Latent Prints)

Dear Ms. Barrera,

At its August 16, 2019 quarterly meeting, the Commission voted to take no further action on the referenced self-disclosure given the corrective actions taken by the laboratory, including the root cause analysis, casework review, retraining of the analyst, revisions to the lab's proficiency test policy and hiring of another latent print examiner to assist with the caseload.

If the laboratory identifies any material changes to the information provided in connection with this disclosure, please notify the Commission as soon as possible. Thank you and please feel free to contact commission staff with any questions you may have.

Sincerely,

  
Kathryn Adams  
Commission Coordinator
