Renewal Application Questions

Thank you for submitting your renewal application. A licensing specialist will review your application and assess whether you have met the qualifications for licensure. You may be contacted with requests for follow-up information as needed.

You may export and save your application by clicking the "Export" button below.

Your license will not be granted if the applicable license fee is not paid--\$200 for forensic analysts and \$130 for technicians and screening analysts. To pay the fee, please click the "Exit" button below, add the appropriate license fee to "Your Cart", and then follow the on-screen instructions.

If your contact information changes for any reason, please contact the Texas Forensic Science Commission. You may check the status of your application by logging into your TopClass account.

If you have any questions, please contact us at licensing@fsc.texas.gov.

24. The Commission has pre-approved programs that may be selected from the first box titled “**Type Here to Choose**”. These may be selected by clicking in the box to display a drop-down list and you may select the appropriate training or conference. If the name of your training or conference is not listed, you may manually type it in for the Commission to review for eligibility.

General Details Create

i Specify General Properties for this External Training

Welcome to the reporting platform for your Continuing Forensic Education activities. The Commission has pre-approved continuing forensic education programs that may be selected from the pre-filled list below to help you quickly make your entry. Start by typing the name of the training or conference sponsor in the first box below to find your pre-approved conference or training. If you cannot find the training in the list below, you may make your entry by filling in the necessary information in the boxes below. You must enter the Title, Date Completed, your Employing Laboratory, Sponsor, and number of completed hours. If you have notes or further explanation about the conference and the hours you are claiming for the training or any other information you'd like to provide, please provide them in the Notes box.

****When reporting continuing forensic education hours in the boxes below, enter any General Continuing Forensic Education hours in the first box in this section. Enter your Discipline-Specific Continuing Forensic Education hours in the second box in this section. The hours **SHOULD NOT** overlap or be reported twice. Please enter only up to the number of discipline-specific hours required of you during the two-year license cycle in the Discipline-Specific Continuing Forensic Education section (16 total hours; 8 total hours per discipline if licensed in multiple disciplines). The remainder of your hours, discipline-specific or otherwise, must be reported under General Continuing Forensic Education hours once you have met your minimum. Please report your Mandatory Legal and Professional Responsibility training under General Continuing Forensic Education hours. Journal articles count for one hour per peer-reviewed journal article.**

Attachments: Using the attachment/upload button, please upload proof of your attendance at the training in the form of a conference and/or training agenda or any other documentation you attended the conference or training. For journal articles, you must upload the first page or a screen shot of the first page of the peer-reviewed journal article. For multiple documents, please combine into one PDF document for uploading.

Approved CFE hours are applied for credit on the date the program and/or training is delivered and do not rollover to the next license cycle.

30. You have added a Continuing Forensic Education Credit pending approval by the Commission. Click on "Select File" to attach any supporting documentation for your CFE that may aid toward eligibility/approval. Click on "SAVE"

The screenshot shows a form titled "CFE Hours" with two sections: "General CFE" and "Discipline-Specific CFE". Under "General CFE", there is a dropdown menu set to "General" and a text input field containing "8.00". Under "Discipline-Specific CFE", there is a dropdown menu set to "Seized Drugs" and a text input field containing "18.00". Below this is an "Attachments" section with a "Select File..." button highlighted in yellow, a "Download" link, and "Save" and "Delete" buttons at the bottom. The "Save" button is highlighted with a red box.

31. You have saved the External Training Record (AKA: CFE/Continuing Forensic Education)

The screenshot shows a web application interface for an "External Training Record". At the top, a blue banner displays "Saved External Training Record" in a yellow oval. Below this, the breadcrumb trail reads "Home > Add Continuing Forensic Education > Continuing Forensic Education". The main title is "American Academy of Forensic Sciences Annual Conference". The form is divided into sections: "General Details" (with "Save" and "Delete" buttons), "Specify General Properties for this External Training" (with fields for Title, Date Completed, Employing Laboratory, and Sponsor), "Notes" (with a rich text editor), "CFE Hours" (with dropdowns for General and Discipline-Specific CFE and corresponding hour input fields), and "Attachments" (with a "Select File..." button and "Download" link). "Save" and "Delete" buttons are also present at the bottom of the form.

32. Access far left menu

- Hover your mouse over the left side margin
- Click on “Licenses”

The screenshot shows the user interface of the Texas Forensic Science Commission. On the left, a dark sidebar menu is open, with the 'Licenses' option highlighted by a red rectangular box. The main content area displays the title 'Academy of Forensic Sciences Annual Conference' and a 'General Details' form. The form includes fields for Title, Date Completed, Employing Laboratory, Sponsor, and Notes. The 'CFE Hours' section is also visible at the bottom of the form.

33. Click on your “License”

The screenshot shows the 'Licenses' page with a search bar and a table of license information. The table has columns for Title, Licensed, Licensed Until, Due By, and Application. The first row contains the following data:

Title	Licensed	Licensed Until	Due By	Application
