Re: Forensic Science Commission Disclosure No. 20.15: Department of Public Safety  
Austin (Toxicology)

Dear Mr. Mills,

At its June 12, 2020 quarterly meeting, the Commission reviewed the referenced self-disclosure. Based on explanation by the laboratory, the efforts to increase the evidence receiving workspace, removal of the trash cans in the receiving area, and notification to affected parties, the Commission concluded no further action is necessary at this time.

If the laboratory identifies any material changes to the information provided in connection with this disclosure, please notify the Commission as soon as possible. Thank you and please feel free to contact commission staff with any questions you may have.

Sincerely,

*Leigh M. Savage*
